3/5 OF A MILE IN 10 SECONDS – JEFFERSON AIRPLANE

Underlined words are duets

Intro [4X]: E5 G5

 \mathbf{E}

Do away with people blowing my mind

E

Do away with people wasting my precious time

A

Take me to a simple place

A

Where I can easily see my face

E

Maybe baby, I'll see that you were kind

CHORUS

G F E [repeat intro riff]

Know I love you baby, yes I do

G F E [repeat intro riff]

Know I love you baby, yes I do

Do away with people laughing at my hair

Do away with people frowning on my precious cares

Take me to a circus tent

Where I can easily pay my rent

And all the other freaks will share my cares

REPEAT CHORUS

[solo over verse chords]

Do away with things that come on obscene

Like hot rods, pre-cleaned real fine nicotine

Sometimes the price is sixty-five dollars

Prices like that make a grown man holler

Especially when it's sold by a kid who's only fifteen

REPEAT CHORUS

[solo over verse chords; fade on A]

1919 INFLUENZA BLUES - ESSIE JANKINS

\mathbf{A}
It was nineteen hundred and nineteen
D A
Men and women were dying
A E
With the stuff that the doctor called the flu
${f A}$
People were dying everywhere
\mathbf{D} \mathbf{A}
Death was creepin' all through the air
\mathbf{E} \mathbf{D} \mathbf{A} \mathbf{E}
And the groans of the rich sure was sad
8
CHORUS (After every verse)
D
Well it was God's almighty plan
A
He was judging this old land
A E
North and south, east and west it can be seen
\mathbf{A}
He killed the rich, killed the poor
\mathbf{D} \mathbf{A}
He's gonna kill just a little more
\mathbf{E} \mathbf{D} \mathbf{A} \mathbf{E}
If you don't turn away from your sin
Down in Memphis, Tennessee
The doctor said it soon would be
In a few days influenza would be controlled
Doctor sure man he got had
Sent the doctors all home to bed

Influenza is the kind of disease
Makes you weak down to your knees
Carries a fever everybody surely dreads
Packs a pain in every bone
In a few days, you are gone
To that hole in the ground called your grave

And the nurses all broke out with the same

A FOOL SUCH AS I – HANK SNOW

A HORSE NAMED BILL - UNKNOWN

G
Oh I had a horse and his name was Bill
C
And when he ran he couldn't stand still
G

He ran away one day

D

G

And also I ran with him

He ran so fast he could not stop He ran into a barber shop Fell exhaustionized - with his eye teeth -In the barber's left shoulder

I had a gal and her name was Daisy And when she sang the cat went crazy With deliriums - St. Vituses -And all kinds of cataleptics

One day she sang a song about A man who turned himself inside out And jumped into the river He was so very sleepy

I'm going out in the woods next year And shoot for beer and not for deer Well I am, well I ain't I'm a great sharpshootress

At shooting birds I am a beaut There is no bird I cannot shoot In the eye, in the ear, in the teeth And in the fingers

I went up in a balloon so big The people on earth looked like a pig Like a mouse, like a katydid Like flyses and like fleases The balloon had turned up with its bottom side high Fell on the wife of a country squire She made a noise like a doghound, like a steam whistle And like dynamite

What, could you do in a case like that What can you do but stamp on your hat Or on your mother, on your toothbrush And on everything that's helpless

A PIRATE LOOKS AT FORTY - JIMMY BUFFET

Intro: G C/G G C/G
G
Mother, mother ocean, I have heard you call

Watched the men who rode you switch from sails to steam C G
And in your belly, you hold the treasures few have ever seen Am7 G/B Am7 G
Most of 'em dream, most of 'em dream
\mathbf{G}
Yes I am a pirate, two hundred years too late C
The cannons don't thunder, there's nothin' to plunder
\mathbf{G}
I'm an over forty victim of fate
Am7 G/B Am7 G
Arriving too late, arriving too late
G
I've done a bit of smugglin', I've run my share of grass G
-
I made enough money to buy Miami, but I pissed it away so fast Am7 G/B Am7 G
Never meant to last, never meant to last

G

Say you drive a Chevy, say you drive a Ford
You say you drive around the town till you just get bored
Then you change your mind for something else to do
And your heart gets bored with your mind and it changes you
Well, it's a doggone shame and it's an awful mess
I wish you love, I wish you happiness

I guess I wish you all the best

Was blind but now can see

It was grace that taught my heart to fear, And grace my fears relieved. How precious did that grace appear, The hour I first believed.

The Lord has promised good to me His word my hope secures He will my shield and portion be As long as life endures

Through many dangers, toils and snares, We have already come.
'Tis grace hath brought me safe thus far, And grace will lead me home.

When we've been there ten thousand times, Bright shining as the sun. We've no less days to sing God's praise, Then we first begun.

Amazing grace has set me free To touch, to taste, to feel The wonders of accepting Love Have made me whole and real

Amazing grace, how sweet the sound, That saved a wretch like me. I once was lost, but now I'm found Was blind but now can see.

ANGELINA - JONATHAN EDWARDS

 \mathbf{C}

When you left the reservation

 \mathbf{C}

Didn't I promise you my life?

Am

I said I'd make it in the city

C Am

For I can't farm this land no more

Didn't you like the dress I bought you At the ladies store in town So the people wouldn't be laughing At the Indian skins you wore

Am

Oh, oh, Angelina

D

Did you have to go so far?

G

Seven weeks I have no found you

Am

And it's snowing on the mountain

Waiting at the railroad station I didn't mean to make you cry But the conductor said to hurry Or we'd all be left behind

Am

Oh, oh, Angelina

D

Did you have to go so far?

 \mathbf{G}

Am

And it's snowing on the mountain

In anyone elsebut you

I kiss you on the brain in the shadow of the train
I kiss you all starry eyed, my body's swinging from side to side
I don't see what anyone can see
In anyone elsebut you

Here is the church and here is the steeple We sure are cute for two ugly people I don't see what anyone can see In anyone elsebut you

The pebbles forgive me, the trees forgive me So why can't you forgive me? I don't see what anyone can see In anyone elsebut you

I will find my niche in your car With my MP3, DVD, rumple-packed guitar I don't see what anyone can see In anyone elsebut you

Up, down, left, right, B A start
Just because we use cheats doesn't mean we're not smart
I don't see what anyone can see
In anyone elsebut you

You are always trying to keep it real I'm in love with how you feel I don't see what anyone can see In anyone elsebut you

BALLAD OF HOLLIS BROWN - BOB DYLAN

In D

Hollis Brown
He lived on the outside of town
Hollis Brown
He lived on the outside of town
With his wife and five children
And his cabin fallin' down

You looked for work and money And you walked a rugged mile You looked for work and money And you walked a rugged mile Your children are so hungry That they don't know how to smile

Your baby's eyes look crazy
They're a-tuggin' at your sleeve
Your baby's eyes look crazy
They're a-tuggin' at your sleeve
You walk the floor and wonder why
With every breath you breathe

The rats have got your flour Bad blood it got your mare The rats have got your flour Bad blood it got your mare If there's anyone that knows Is there anyone that cares?

You prayed to the Lord above Oh please send you a friend You prayed to the Lord above Oh please send you a friend Your empty pockets tell yuh That you ain't a-got no friend

Your babies are crying louder
It's pounding on your brain
Your babies are crying louder
It's pounding on your brain
Your wife's screams are stabbin' you
Like the dirty drivin' rain

Your grass it is turning black There's no water in your well Your grass is turning black There's no water in your well You spent your last lone dollar On seven shotgun shells

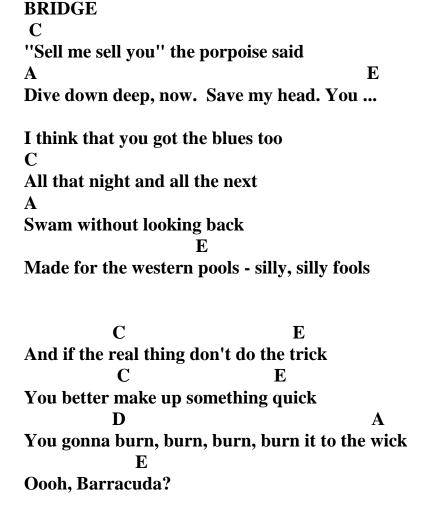

Way out in the wilderness
A cold coyote calls
Way out in the wilderness
A cold coyote calls
Your eyes fix on the shotgun
That's hangin' on the wall

Your brain is a-bleedin'
And your legs can't seem to stand
Your brain is a-bleedin'
And your legs can't seem to stand
Your eyes fix on the shotgun
That you're holdin' in your hand

There's seven breezes a-blowin'
All around the cabin door
There's seven breezes a-blowin'
All around the cabin door
Seven shots ring out
Like the ocean's pounding roar

There's seven people dead On a South Dakota farm There's seven people dead On a South Dakota farm Somewhere in the distance There's seven new people born

BEFORE YOU ACCUSE ME - ERIC CLAPTON

Blues in E

Before you accuse me, take a look at yourself. Before you accuse me, take a look at yourself. You say I've been buying another woman clothes, But you've been talking to someone else.

I called your mama 'bout three or four nights ago. I called your mama 'bout three or four nights ago. Your mama said, "Son,
Don't call my daughter no more."

Before you accuse me, take a look at yourself. Before you accuse me, take a look at yourself. You say I've been buying another woman clothes, But you've been taking money from someone else.

Come on back home, baby; try my love one more time. Come on back home, baby; try my love one more time. You've been gone away so long, I'm just about to lose my mind.

Before you accuse me, take a look at yourself. Before you accuse me, take a look at yourself. You say I've been buying another woman clothes, But you've been talking to someone else.

BIG IRON - MARTY ROBBINS

INTRO: Am Em Am

C Am

To the town of old Alfredo rode a stranger one fine day
C Am

Hardly spoke to folks around him didn't have too much to say
F C

No one dared to ask his business no one dared to make a slip
Am

For the stranger there amongst them had a big iron on his hip
F C

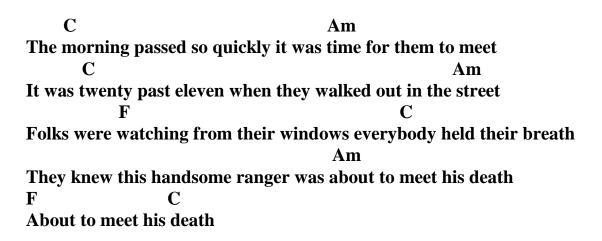

Big iron on his hip

It was early in the morning when he rode into the town He came riding from the south side slowly looking' all around He's an outlaw loose and running came the whisper from each lip And he's here to do some business with the big iron on his hip Big iron on his hip

In this town there lived an outlaw by the name of Texas Red Many men had tried to take him and that many men were dead He was vicious and a killer though a youth of twenty four And the notches on his pistol numbered one and nineteen more One and nineteen more

Now the stranger started talking made it plain to folks around He was an Arizona ranger wouldn't be too long in town He came here to take an outlaw back alive or maybe dead And he said it didn't matter he was after Texas Red After Texas Red

Wasn't long before the story was relayed to Texas Red But the outlaw didn't worry men that tried before were dead Twenty men had tried to take twenty men had made a slip Twenty one would be the ranger with the big iron on his hip Big iron on his hip

There was forty feet between them when they stopped to make their play And the swiftness of the ranger is still talked about to-day Texas Red had not cleared leather when a bullet fairly ripped And the rangers aim was deadly with the big iron on his hip Big iron on his hip

It was over in a moment and the folks had gathered round There before them lay the body of the outlaw on the ground Oh he might have gone on living but he made one fatal slip When he tried to match the ranger with the big iron on his hip Big iron on his hip

In the Big Rock Candy Mountains, there's a land that's fair and bright Where the handouts grow on bushes and you sleep out every night Where the boxcars all are empty and the sun shines every day On the birds and the bees and the cigarette trees The lemonade springs where the bluebird sings In the Big Rock Candy Mountains

In the Big Rock Candy Mountains all the cops have wooden legs And the bulldogs all have rubber teeth and the hens lay soft-boiled eggs The farmers' trees are full of fruit and the barns are full of hay Oh I'm bound to go where there ain't no snow Where the rain don't fall and the wind don't blow In the Big Rock Candy Mountains

In the Big Rock Candy Mountains you never change your socks And the little streams of alcohol come trickling down the rocks The brakemen have to tip their hats and the railroad bulls are blind There's a lake of stew and of whiskey, too You can paddle all around 'em in a big canoe In the Big Rock Candy Mountains

In the Big Rock Candy Mountains, the jails are made of tin And you can walk right out again as soon as you are in There ain't no short-handled shovels, no axes, saws or picks I'ma goin' to stay where you sleep all day Where they hung the Turk that invented work In the Big Rock Candy Mountains

I'll see you all this coming Fall In the Big Rock Candy Mountains

BOB DYLAN'S DREAM – BOB DYLAN

CAPO 1st Fret

D Em
While riding on a train goin' west,
G A
I fell asleep for to take my rest.
D G D
I dreamed a dream that made me sad,
A G D
Concerning myself and the first few friends I had.

With half-damp eyes I stared to the room Where my friends and I spent many an afternoon, Where we together weathered many a storm, Laughin' and singin' till the early hours of the morn.

By the old wooden stove where our hats was hung, Our words was told, our songs was sung, Where we longed for nothin' and were satisfied Jokin' and talkin' about the world outside.

With hungry hearts through the heat and cold, We never much thought we could get very old. We thought we could sit forever in fun And our chances really was a million to one.

As easy it was to tell black from white, It was all that easy to tell wrong from right. And our choices they was few and the thought never hit That the one road we traveled would ever shatter and split.

How many a year has passed and gone, And many a gamble has been lost and won, And many a road taken by many a first friend, And each one I've never seen again.

I wish, I wish, I wish in vain,
That we could sit simply in that room again.
Ten thousand dollars at the drop of a hat,
I'd give it all gladly if our lives could be like that.

C	$\overline{\mathbf{D}}$		\mathbf{G}			
Can't help	but wonder	where I'	m boun	d		

I've been wandering through this land
Just doin' the best I can
Trying to find what I was meant to do
And the people that I see
Look as worried as can be
And it looks like they are wanderin' too

But I had me a buddy back home
And he started off to roam
Now he's out, gone to Frisco Bay
And sometimes when I've had a few
His old voice comes ringin' through
And yes I'm goin' out to see him some old day

If you see me passin' by
And you sit and you wonder why
And you wish that you were a rambler, too
Nail your shoes to the kitchen floor
Lace'em up and bar the door
Thank your stars for the roof that's over you

You fly though my head like wine
A A7 D
You've wrecked the life of many a poor girl
A E A
And you let me spoil this life of mine

Love, oh love, oh careless love, In your clutches of desire You've made me break a many true vow Then you set my very soul on fire

Love, oh love, oh careless love, All my happiness bereft 'Cause you've filled my heart with weary old blues Now I'm walkin' talkin' to myself

Love, oh love, oh careless love, Trusted you now it's too late You've made me throw my old friend down That's why I sing this song of hate

Love, oh love, oh careless love, Night and day I weep and moan You brought the wrong man into this life of mine For my sins till judgment I'll atone

Early one mornin' while makin' the rounds

I took a shot of cocaine and shot my woman down

I went right home and I went to bed C (Stop) I stuck that lovin' forty-four beneath my head.

Got up next mornin' and I grabbed that gun Took a shot of cocaine and away I run Made a good run but I run too slow They overtook me down in Juarez Mexico.

Laid in the hot joint takin' the pill
In walked a sheriff from Jericho Hill
He said Willy Lee your name is not Jack Brown
You're the dirty hack that shot your woman down.

I said yes sir my name is Willie Lee
If you've got a warrant just read it to me
Shot her down cause she made me sore
I thought I was her daddy but she had five more.

When I was arrested I was dressed in black They put me on a train and they took me back Had no friends for to go my bail They slapped my dried up carcass in the county jail.

Early next morning about a half past nine
I spied a sheriff comin' down the line
Coughed and coughed as he cleared his throat
He said come on you dirty hack into that district court

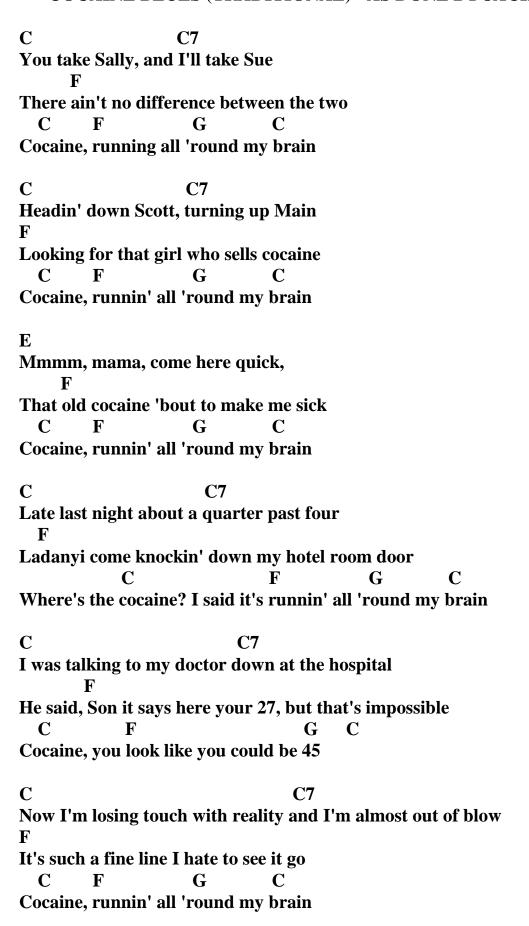

BREAK

Into the court room my trial began Where I was handled by twelve honest men Just before the jury started out I saw that little judge commence to look about C
In about five minutes in walked a man
G
Holding the verdict in his right hand

The verdict read in the first degree C (Stop)
I hollered Lordy, Lordy have mercy on me

The judge he smiled as he picked up his pen
Ninety nine years in the Folsom pen
Ninety nine years underneath that ground
I can't forget the day I shot that bad bitch down
F
Come on all you hot heads and listen unto me

CORTEZ THE KILLER - NEIL YOUNG

WHOLE SONG: Em D Am7

He came dancing across the water with his galleons and guns Looking for the new world in that palace in the sun.

On the shore lay Montezuma with his coca leaves and pearls In his halls he often wondered with the secrets of the worlds.

And his subjects gathered 'round him like the leaves around a tree In their clothes of many colors for the angry gods to see.

And the women all were beautiful and the men stood straight and strong They offered life in sacrifice so that others could go on.

BREAK

Hate was just a legend and war was never known The people worked together and they lifted many stones.

They carried them to the flatlands and they died along the way But they built up with their bare hands what we still can't do today.

And I know she's living there and she loves me to this day I still can't remember when or how I lost my way

BREAK

COWS WITH GUNS – DANA LYONS

Intro: Am G Am

Am

Fat and docile, big and dumb They look so stupid, they aren't much fun

G Am

Cows aren't fun

They eat to grow, grow to die
Die to be eaten at the hamburger fry
G Am

Cows well done

Nobody thunk it, nobody knew
No one imagined the great cow guru
G Am

Cows are one

He hid in the forest, read books with great zeal He loved Che Guevara, a revolutionary veal G Am

Cow Tse Tongue

He spoke about justice, but nobody stirred He felt like an outcast, alone in the herd G Am Cow doldrums

He mooed we must fight, escape or we'll die Cows gathered around, cause the steaks were so high G Am

Bad cow pun

But then he was captured, stuffed into a crate Loaded onto a truck, where he rode to his fate G Am

Cows are bummed

He was a scrawny calf, who looked rather woozy No one suspected he was packing an Uzi

G Am Cows with guns They came with a needle to stick in his thigh He kicked for the groin, he pissed in their eye G Am Cow well hung

Knocked over a tractor and ran for the door Six gallons of gas flowed out on the floor G Am Run cows run!

He picked up a bullhorn and jumped up on the hay We are free roving bovines, we run free today

CHORUS:

 \mathbf{C}

We will fight for bovine freedom

E Am

And hold our large heads high

F C F

We will run free with the Buffalo, or die

Am G Am

Cows with guns

They crashed the gate in a great stampede
Tipped over a milk truck, torched all the feed
G Am
Cows have fun

Sixty police cars were piled in a heap Covered in cow pies, covered up deep G Am

Much cow dung

Black smoke rising, darkening the day Twelve burning McDonalds, have it your way

REEAT CHORUS

Am
The President said, "enough is enough
These uppity cattle, its time to get tough"
G Am
Cow dung flung
The newspapers gloated, folks sighed with relief
Tomorrow at noon, they would all be ground beef
G Am
Cows on buns

The cows were surrounded, they waited and prayed They mooed their last moos,
They chewed their last hay
G Am
Cover out gunned

Cows out gunned

The order was given to turn cows to whoppers Enforced by the might of ten thousand coppers But on the horizon surrounding the shoppers....

Came the deafening roar of chickens in choppers

CHORUS:

F

We will fight for bovine freedom

E Am

And hold our large heads high

 \mathbf{F} \mathbf{C} \mathbf{E}

We will run free with the Buffalo, or die

Good luck had just stung me To the race track I did go She bet on one horse to win And I bet on another to show

Odds were in my favor I had him five to one When that nag came around the track Sure enough he had won

REPEAT CHORUS

I took up all of my winnings And I gave my little Bessie half And she tore it up and blew it in my face Just for a laugh

Now there's one thing in the whole wide world I sure would like to see That's when that little love of mine Dips her doughnut in my tea

REPEAT CHORUS

Now me and my mate were back at the shack We had Spike Jones on the box She said, "I can't take the way he sings But I love to hear him talk"

Now that just gave my heart a fall To the bottom of my feet And I swore and I took another pull My Bessie can't be beat

REPEAT CHORUS

Now, it's hot in California And up north it's pretty cold And this living off the road Is getting pretty old

So I guess I'll call up my big mama Tell her I'll be rolling in Bet you know, deep down, I'm kinda tempted To see my sweet Bessie again

Cause when the lights have lost their glow you'll cry, cry, cry

Soon your sugar-daddies will all be gone. You'll wake up some cold day and find you're all alone. You'll call to me but I'm gonna tell you: "Bye, bye, bye." When I turn around and walk away, you'll cry, cry, cry.

F

You're gonna cry, cry, cry and you'll cry alone,

When everyone's forgotten and you're left on your own.

B7

You're gonna cry, cry, cry

RIFF

I lie awake at night and wait 'til you come in. You stay a little while and then you're gone again. Every question that I ask, I get a lie, lie, lie. For every lie you tell, you're gonna cry, cry, cry.

RIFF

When your fickle love gets old, no one will care for you. You'll come back to me for a little love that's true. I'll tell you no and then you'll ask me why, why, why? When I remind you of all of this, you'll cry, cry, cry.

You're gonna cry, cry, cry and you'll want me then, It'll hurt when you think of the fool you've been. You're gonna cry, cry, cry. (INTRO Lick and END)

DIAMONDS AND RUST – JOAN BAEZ

Capo 1st Fret

Well I'll be damned

C

Here comes your ghost again

G

But that's not unusual

D

It's just that the moon is full

Em Em/Gb* Em

And you happened to call

And here I sit
Hand on the telephone
Hearing a voice I'd known
A couple of light years ago
Heading straight for a fall

As I remember your eyes Were bluer than robin's eggs My poetry was lousy you said Where are you calling from? A booth in the Midwest

Ten years ago
I bought you some cufflinks
You brought me something
We both know what memories can bring
They bring diamonds and rust

Well you burst on the scene Already a legend The unwashed phenomenon The original vagabond You strayed into my arms Em Em/Gb* Em And there you stayed

C

Temporarily lost at sea

G

The Madonna was yours for free

D

Yes the girl on the half-shell

Em Em/Gb* Em

Would keep you unharmed

Now I see you standing with brown leaves falling around and snow in your hair Rm

Now you're smiling out the window of that crummy hotel over Washington Square

Our breath comes out white clouds mingles and hangs in the air

Speaking strictly for me we both could have died then and there

Em Em/Gb Em 2x

Now you're telling me You're not nostalgic Then give me another word for it You who are so good with words And at keeping things vague

Because I need some of that vagueness now It's all come back too clearly Yes I loved you dearly And if you're offering me diamonds and rust I've already paid

Do your ears hang wide?
Do they flap from side to side?
Do they wave in the breeze
With the slightest little sneeze?
Can you soar above the nation?
With a feeling of elation?
Do your ears hang wide?

Do your ears fall off?
Does it happen when you cough?
Do they lie there on the ground?
Or bounce around at every sound?
Can you stick them in your pocket
Like a little Davey Crockett?
Do your ears fall off?

DON'T DO IT – THE BAND VERSION

OPENING RIFF: G - Dm - C - G **USE** G - C throughout song except on the 'Don't Do It' parts

Baby don't you do it, don't do it Don't you break my heart Pleeeeease don't do it, don't you break my heart

A sacrifice would make you happy if nothing for myself
Now you wanna leave me for the love of someone else
My pride is all gone whether I'm right or wrong
I need you baby to keep on keepin' on
You know I'm trying to my best
Oh I'm trying to do my best
Don't do it, don't you break my heart
Pleeeeease don't do it, don't you break my heart

My biggest mistake was loving you too much and letting you know Now you got me where you want me and you won't let me go If my heart was made of glass well then you'd surely see How much heartache and misery, girl, you've been causing me While I've been trying to do my best Well I've tried to do my best Don't do it, don't you break my heart Pleeeeease don't do it, don't you break my heart

DON'T TAKE YOUR GUNS TO TOWN - JOHNNY CASH

A E A

 \boldsymbol{A} young cowboy named Billy Joe grew restless on the farm

A boy filled with wanderlust who really meant no harm

D He changed his clothes and shined his boots and combed his dark hair down

And his mother cried as he walked out...

CHORUS (REPEAT AFTER EACH VERSE)

 \boldsymbol{A}

Don't take your guns to town, son

D A

Leave your guns at home, Bill...

 \mathbf{A}

Don't take your guns to town.

He laughed and kissed his mom and said, "Your Billy Joe's a man. I can shoot as quick and straight as anybody can. But I wouldn't shoot without a cause, I'd gun nobody down." But she cried again as he rode away...

He sang a song as on he rode, his guns hung at his hips. He rode into a cattle town, a smile upon his lips. He stopped and walked into a bar and laid his money down, But his mother's words echoed again...

He drank his first strong liquor then to calm his shaking hand And tried to tell himself at last he had become a man. A dusty cowpoke at his side began to laugh him down And he heard again his mother's words...

Bill was raged and Billy Joe reached for his gun to draw, But the stranger drew his gun and fired before he even saw. As Billy Joe fell to the floor the crowd all gathered 'round, And wondered at his final words...

DRAFT DODGER'S RAG – PHIL OCHS

Oh, I'm just a typical American boy from a typical American town

O

I believe in God and Senator Dodd and keepin' old Castro down

G

C

And when it came my time to serve I knew "better dead than red"

D

G

But when I got to my old draft board, buddy, this is what I said:

G

Sarge, I'm only eighteen, I got a ruptured spleen and I always carry a purse

C

I got eyes like a bat, and my feet are flat, and my asthma's getting worse

G

Yes, think of my career, my sweetheart dear, and my poor old invalid aunt

D

G

Besides, I ain't no fool, I'm going to school and I'm working in a Defense plant

I've got a dislocated disc and a wracked up back I'm allergic to flowers and bugs
And when the bombshell hits, I get epileptic fits
And I'm addicted to a thousand drugs
I got the weakness woes, I can't touch my toes
I can hardly reach my knees
And if the enemy came close to me
I'd probably start to sneeze

REPEAT CHORUS

G

Ooh, I hate Chou En Lai, and I hope he dies,
One thing you've got to see
That someone's got to go over there
And that someone isn't me
So I wish you well Sarge, give 'em Hell!
Kill me a thousand or so
And if you ever get a war without blood and gore
I'll be the first to go

EASY COME, EASY GO - HAYES CARLL

CAPO 3rd Fret C Jamie was a barmaid at the Underground Longrail Em Seems like every Friday evenin' she'd find herself in jail Am Not a friend this side of Houston with the time to throw her bail F G But she'll be fine, she'll be fine Spent a lifetime walkin' through the walls of a broken home Not a man round here still standin for the girl to call her own Every time she tried to hold him she just ended up alone But there's still time, there's still time Davey drove a taxi through the streets of Boston town Like the billboards up above him the world just wore him down Only soul he'd ever cared for was the one he'd never found But he'll be fine, he'll be fine

Broken half of winter with a wind chill ten below Davey sittin in is kitchen laughin' about how the world had done him so Then the postman burst his bubble with a letter from below And now it's time, now it's time

CHORUS F G \mathbf{C} C/B Am And there's a lot of people runnin' around \mathbf{C} Not quite sure which way to go C/B G C But as for me I think I finally found G G \mathbf{C} It's just easy come and easy go

Jamie grabbed a bottle threw her apron on the bar Packed her whole world in a suitcase and tossed it in the car Woke up in Texarkana wonderin' how she got this far And on her own, on her own Stranger at the motel let Jamie stay for free She was gone before the daybreak on her way to Tennessee Lookin' to make the whole world over into a place she wants to be But not alone, not alone

Davey left his taxi in the bottom of a Beantown lake He said this whole world's full of chance and this is one I gotta take So he caught the line to Nashville to finally find his break And make a home, make a home

As the train flew out of Boston, his whole world passed him by He said I spent a lifetime runnin' and now's the time to try If I can't find someone to hold me my dreams will surely die And I'll be gone, I'll be gone

#### FEELIN' ALRIGHT - DAVE MASON

### A – E7 through the whole song

Seems I got to have a change of scene
Cause every night I have the strangest dreams
Imprisoned by the way it could've been
Left here on my own or so it seems
I got to leave before I start to scream
But someone's locked the door and took the key

#### **CHORUS**

Feelin' all right Not feelin' too good myself Feelin' all right Not feelin' too good myself

Boy you sure took me for one big ride Even now I sit and wonder why And when I think of you I start to cry I just can't waste the time I must keep dry Got to stop believin' in all your lies Cause I got to much to do before I die

#### REPEAT CHORUS

Now, don't get too lost in all I say
If half the time I really felt that way
That was then and now it's today
Can't get off yet and so I'm here to stay
Before someone comes along and takes my place
With a different name and, yes, a different face

#### CAPO 3rd Fret

G D A A Just yesterday morning, they let me know that you were gone G Gmai7 Suzanne, the plans they made put an end to you I walked out this morning and I wrote down this song Gmaj7 I just can't remember who to send it to **CHORUS D/C**# Bm7 I've seen fire and I've seen rain

D/C# Bm7 A

I've seen sunny days that I thought would never end

D/C# Bm7 A

I've seen lonely times when I could not find a friend

G/F# Em

But I always thought that I'd see you again.

Won't you look down upon me, Jesus, You've got to help me make a stand. You've just got to see me through another day. My body's aching and my time is at hand And I won't make it any other way.

#### REPEAT CHORUS

Been walking my mind to an easy time, my back turned towards the sun. Lord knows when the cold wind blows it'll turn your head around. Well, there's hours of time on the telephone line to talk about things to come. Sweet dreams and flying machines in pieces on the ground.

Oh, I've seen fire and I've seen rain.

I've seen sunny days that I thought would never end.

I've seen lonely times when I could not find a friend,

But I always thought that I'd see you baby, one more time again, now.

Thought I'd see you one more time again.

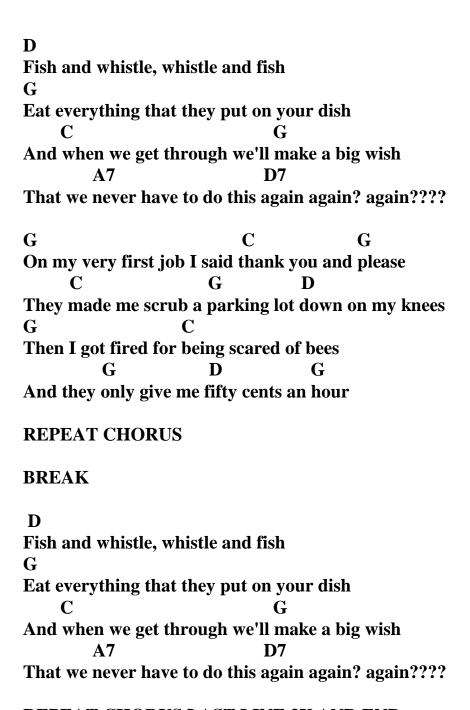

There's just a few things coming my way this time around, now.

Thought I'd see you, thought I'd see you, fire and rain, now.

#### FLAG DECAL - JOHN PRINE

 $\mathbf{C}$ Well while digesting Reader's Digest In the back of a dirty book store, A flag decal, with gum on the back, Fell out on the floor. So I picked it up and I ran outside And I slapped on my window shield, And if I could see old Betsy Ross now I tell her how good I feel. **CHORUS:** Oh but your flag decal won't get you  $\mathbf{C}$ Into Heaven any more. They're already overcrowded From your dirty little wars. Now Jesus he don't like killin' No matter what the reason if for, And your flag decal won't get you **G7** Into Heaven anymore.

(Well) I went into the bank this morning
And the teller she said to me,
"If you join our Chrismas club
We'll give you ten of those flags for free."
So I didn't mess around a bit
And I took her up on what she said.
And I stuck those stickers all over my car
And one on my wife's forehead.

### **REPEAT CHORUS**

(Well) I got my car so stickered up
That I couldn't see.
Then I ran it right upside a curb
And then right into a tree.
By the time they called a doctor down
I was already dead.
And I'll never understand why the man
Standing at the Pearly Gates said...

#### FINAL CHORUS

Oh but your flag decal won't get you Into Heaven any more.
We're already overcrowded
From your dirty little wars.
Now Jesus he don't like killin'
No matter what the reason is for,
And your flag decal won't get you
Into Heaven any more.

E
And I ain't seen the sunshine since, I don't know when
A
E
I'm stuck in Folsom Prison and time keeps draggin' on
B7
E
But that train keeps a-rollin' on down to San Antone

When I was just a baby my Mama told me, "Son Always be a good boy. Don't ever play with guns." But I shot a man in Reno just to watch him die When I hear that whistle blowin' I hang my head and cry

#### **BREAK**

I bet there's rich folks eatin' in a fancy dining car They're probably drinkin' coffee and smokin' big cigars Well I know I had it comin'. I know I can't be free But those people keep a-movin' and that's what tortures me

#### **BREAK**

Well, if they freed me from this prison. If that railroad train was mine I bet I'd move it on a little farther down the line Far from Folsom Prison - That's where I want to stay And I'd let that lonesome whistle blow my blues away

### GET A HAIRCUT – GEORGE THOROGOOD

G
I was a rebel from the day I left school
G
Grew my hair long and broke all the rules
C
I'd sit and listen to my records all day
D
With big ambitions of where I could play

My parents taught me what life was about So I grew up the type they warned me about They said my friends were just an unruly mob And I should get a haircut and get a real job

#### **CHORUS**

G

Get a haircut and get a real job

G

Clean your act up and don't be a slob

 $\mathbf{C}$ 

Get it together like your big brother Bob

D

G

Why don't you get a haircut and get a real job

I even tried that nine to five scene
I told myself that it was all a bad dream
I found a band and some good songs to play
And now I party all night, I sleep all day

I met this chick she was my number one fan She took me home to meet her mommy and dad They took one look at me and said (oh my god) Get a haircut and get a real job

#### REPEAT CHORUS

SLIDE BREAK OVER Get a real job, Why don't you get a real job Get a real job I hit the big time with my rock 'n' roll band The future's brighter now than I'd ever planned I'm ten times richer than my big brother Bob But he's got a haircut he's got a real job

### **REPEAT CHORUS**

FADE ON SLIDE BREAK OVER Get a real job, Why don't you get a real job Get a real job

### **CHORUS** (After every verse):

G D
Irene, goodnight
D G
Irene, goodnight
G G7 C
Coodnight Irone, goodnight Irone

Goodnight Irene, goodnight Irene

G D G

I'll see you in my dreams

Sometimes I live in the country Sometimes I live in town Sometimes I have a great notion To jump into the river and drown

Quit ramblin' and quit gamblin'
Quit stayin' out late at night
Stay home with your wife and family
Sit down by the fireside bright

I asked your mother for you She told me you was too young I wished to God I'd never seen your face I's sorry you ever was born

I love Irene, God knows I do I'll love her till the seas run dry And if Irene turns her back on me I'll take morphine and die

You cause me to weep, you cause me to mourn You cause me to leave my home But the very last words I heard her say Was "Please sing me one more song"

INTRO: Am D Am D G
G
Well who wouldn't notice the fire in your eyes  D  G
Or the bitter direction of impending goodbyes
$\mathbf{G}$
I'm falling I'm folded, I'm wilted in place D
At the sight of you standing with streaks down your face
CHORUS
Am
You got your heart broke D
Go running from the reason
Am
Get your heart broke D
Don't give up on believing in me
Am D
Heart broke who kept me from leaving
With my heart broke
G
Well pride is a bitch and a bore when you're lonely  G
Sheer madness prevails upon reason to yield
G
But all is not lost - it is only mistaken
$\mathbf{D}$ $\mathbf{G}$
That's small consolation but I know just how you feel
REPEAT CHORUS
Am D Am D G

G
Well nobody said it was going to be easy
$\mathbf{D}$ $\mathbf{G}$
We all have our feelings that need a soft, good touch
G
Nobody said that it would not be worth it
$\mathbf{D}$
But human conditions can give you as such

Tell me how long do I have to wait?
Can I get you now, or must I hesitate?

Well, If the river was whiskey and I was a duck You know I'd swim to the bottom and I'd never come up Tell me how long do I have to wait? Can I get you now, I said, must I hesitate?

I was born in Texas, raised in Tennessee If you don't like my peaches, don't shake my tree Oh, baby, how long have I got to wait? Well, can I get you now or must I hesitate?

Well, I ain't no doctor but a doctor's son But I can play doctor 'til the doctor comes Oh, baby, how long have I got to wait? Well, can I get you now or must I hesitate?

Never been to heaven, but I've been told, Old Saint Peter knows how to jelly-roll, How long, must I have to wait? Can I get you now, oh no, must I hesitate And I'm standing on the corner with a dollar in my hand, Looking for a woman who's looking for a man How long, Good God must I wait? Can I get you now, oh no, must I hesitate.

# CAPO 2nd Fret (B Major) A There's nothing in the world that I like better Than bacon and lettuce and homegrown tomatoes Up in the morning and out in the garden Pick you a ripe one, don't get a hard one Plant them in the springtime eat them in the summer, All winter without them is a culinary bummer. I forget all about all the sweating and the digging Every time I go out and pick me a big one. Homegrown tomatoes, homegrown tomatoes, What would life be without homegrown tomatoes? There's only two things that money can't buy That's true love and homegrown tomatoes HARP BREAK You can go out and eat them, that's for sure, D

You can make your very own tomato juice

A You can eat them with eggs. You can eat them with gravy You can eat them with beans, pinto or navy Put them on the side, put them on the middle Homegrown tomatoes on a hotcake griddle A Homegrown tomatoes, homegrown tomatoes, What would life be without homegrown tomatoes? There's only two things that money can't buy That's true love and homegrown tomatoes HARP BREAK If I could change this life I lead You could call me Johnny Tomato Seed Cause I know what this country needs It's homegrown tomatoes in every yard you see A When I die don't bury me In a box in a cold, dark cemetery Out in the garden would be much better Where I could be pushing up homegrown tomatoes

Mirrors on the ceiling, the pink champagne on ice And she said "We are all just prisoners here, of our own device" And in the master's chambers, they gathered for the feast They stab it with their steely knives, but they just can't kill the beast

Last thing I remember, I was running for the door
I had to find the passage back to the place I was before
"Relax" said the nightman, "We are programmed to receive"
"You can check out anytime you like, but you can never leave"

## I DIG ROCK AND ROLL MUSIC – PETER, PAUL & MARY

I dig rock and roll music and I love to get the chance to play. (and sing it) I think it is about the happiest sound going down today.

Bm G

The message may not move me

Bm G

Or mean a great deal to me

Bm E A A7

But hey, it feels so groovy to say

#### **D7**

I dig the Mamas and the Papas at "The Trip" at Sunset Strip in L.A. And they got a good thing going when the words don't get in the way.

Bm G

And when they're really sailing

Bm G

Michelle and Cass are wailing

Bm E A A7

#### **D7**

I dig Donovan in a dream-like, tripped out way His crystal images tell you 'bout a brighter day

And when the Beatles tell you They've got a word "love" to sell you They mean exactly what they say

#### **D7**

But if I really say it The radio won't play it Unless I lay it between the lines

Well I know we can make things work He's got good family sense. His mother was a frog from Philadelphia His daddy an enchanted prince.

The neighbors are against it and it's clear to me And it's probably clear to you They think value on their property will go right down If the family next door is blue.

Well I'm in love with a big blue frog A big blue frog loves me I've got it tattooed on my chest It says P.H.R.O.G. (It's frog to me!) P.H.R.O.G.

I had a friend one time, at least I thought he was my friend For he came to me, said "I ain't got no place to go" I said "Take it easy man, you can come home to my house, I'll get you a pillow where you can rest your head"

Took him home with me, let him in my house, Let him drive my Cadillac that I could not afford When I found out he'd been messin' around with my baby You know I'm mad like Al Capone (I'm burnin' up)

I said I'm mad (I'm burnin' up) Like Sonny Liston yeah (I'm burnin' up) You know baby I'm mad (I'm burnin' up) Like Cassius Clay (I'm burnin' up)

You know I'm mad (I'm burnin' up) you know I'm mad Yeah baby, alright baby (I'm burnin' up) I'm mad, come on (I'm burnin' up)

Took him home with me, introduced him to my baby, He began to talk to her, made her think the moon was blue You know I think I ought to tell you daddy I'm mad, I said I'm mad with you

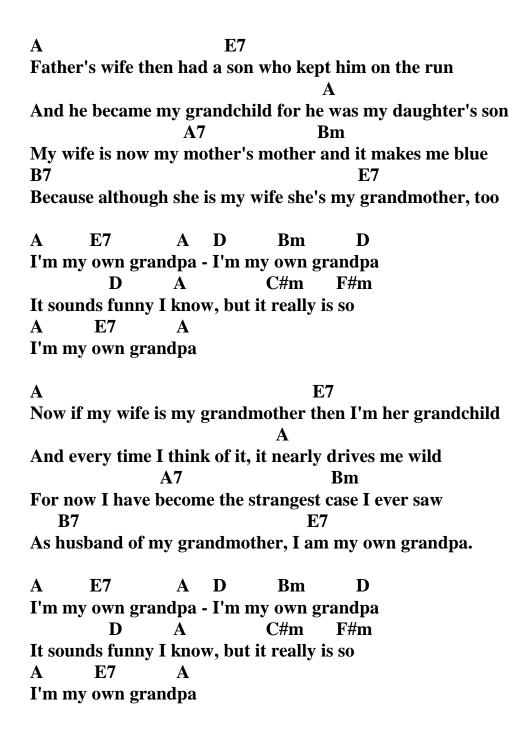

I don't know what I'm gonna do to you I might drown you, I might shoot you I just don't know because I'm mad I said I'm mad (I'm burnin' up)

Ooh baby - It's a big old goofy world

Now Elvis had a woman with a head like a rock I wished I had a woman that made my knees knock She'd sing like an angel and eat like a bird And if I wrote a song she'd know every single word

### JOHNNY B. GOODE - CHUCK BERRY

A Deep down in Louisiana, close to New Orleans, Way back up in the woods among the evergreens, There stood a log cabin made of earth and wood Where lived a country boy named Johnny B. Goode Who never ever learned to read or write so well, But he could play the guitar just like a ringin' a bell. **CHORUS:** A Go! Go! Go, Johnny, go! Go! D Go, Johnny, go! Go! Go, Johnny, go! Go!  $\mathbf{E}$ D D Eb  $\mathbf{E}$ 

He used to carry his guitar in a gunny sack,
Go sit beneath the tree by the railroad track.
Old engineers would see him sittin' in the shade,
Strummin' with the rhythm that the drivers made.
When people passed him by they would stop and say,
'Oh, my but that little country boy could play'

Go, Johnny, go! Go! Go! Johnny B. Goode

#### REPEAT CHORUS

His mother told him, 'someday you will be a man,
You will be the leader of a big ol' band.
Many people comin' from miles around
Will hear you play your music when the sun go down.
Maybe someday your name'll be in lights,
Sayin' 'Johnny B. Goode tonight'

Josie, I won't fail ya. Give me one more chance, the day is near

The meadows they are bursting - the yellow corn lies in your hand And with the night comes sorrow as the tide of dawn sleeps on the land

The long breezes are blowing all down the sky into my face I've a weary kind of feeling, like my time has come and gone to waste

I love you, darling Josie. The trees of pine they grow so tall How come you came to love me when you didn't love me at all?

### REPEAT CHORUS

My Josie looks a child now as she lies here on my breast In the night I think about her. In the day I get no rest

I cut me a young pine-cone and I gave it to the river deep It sailed 'way by your window where you lay, so long in sleep

God bless you, darling Josie, with your sparklin' eyes so bright and clear Josie, I won't fail ya, I won't fail you, have no fear

You know I'm still your lover boy. I still feel the same way. That's when she told me a story about free milk and a cow And said, "No huggy, no kissy, until I get a wedding vow." She fell down on her bended knees, for mercy she did cry
"Oh Willy dear, don't kill me here, I'm unprepared to die"
She never spoke another word, I only beat her more
Until the ground around me within her blood did flow

I took her by her golden curls and I drug her round and around Throwing her into the river that flows through Knoxville town Go down, go down, you Knoxville girl with the dark and rolling eyes Go down, go down, you Knoxville girl, you can never be my bride

I started back to Knoxville, got there about midnight My mother, she was worried and woke up in a fright Saying "dear son, what have you done to bloody your clothes so?" I told my anxious mother I was bleeding at my nose

I called for me a candle to light myself to bed
I called for me a handkerchief to bind my aching head
Rolled and tumbled the whole night through, as troubles was for me
Like flames of hell around my bed and in my eyes could see

They carried me down to Knoxville and put me in a cell My friends all tried to get me out but none could go my bail I'm here to waste my life away down in this dirty old jail Because I murdered that Knoxville girl, the girl I loved so well

#### LAST CHRISTMAS - WHAM!

Throughout Entire Song: C Am Dm G

#### **CHORUS:**

Last Christmas, I gave you my heart But the very next day you gave it away This year, to save me from tears I'll give it to someone special

#### REPEAT CHORUS

Once bitten and twice shy I keep my distance but you still catch my eye Tell me, baby, do you recognize me? Well, it's been a year - It doesn't surprise me

(Merry Christmas!) I wrapped it up and sent it With a note saying, "I love you, " I meant it Now, I know what a fool I've been But if you kissed me now I know you'd fool me again

#### REPEAT CHORUS

A crowded room, friends with tired eyes I'm hiding from you, and your soul of ice My god, I thought you were someone to rely on Me? I guess I was a shoulder to cry on

A face on a lover with a fire in his heart A man under cover but you tore me apart Now, I've found a real love You'll never fool me again

#### REPEAT CHORUS

A face on a lover with a fire in his heart A man under cover but you tore him apart Maybe next year I'll give it to someone I'll give it to someone special

# LEAVING LOUISANA IN THE BROAD DAYLIGHT - RODNEY CROWELL

D
Mary took to running with a travelin' man
D
Left her mama crying with her head in her hands
D G D
Such a sad case, so broken hearted
She say, mama, I got to go, gotta get out of here
I gotta get out of town, I'm tired of hangin' around
I gotta roll on between the ditches
It's just an ordinary story about the way things go
Round and around, nobody knows but the highway
Goes on forever, that old highway goes on forever
Lord, she never would have done it if she hadn't got drunk
If she hadn't started runnin' with a travelin' man
If she hadn't started takin' those crazy chances
She said, daughter, let me tell you about the travelin' kind
Everywhere he's going such a very short time
He'll be long gone before you know it
He'll be long gone before you know it
CHORUS:

#### LET HIM GO ON, MAMA - JOHN HARTFORD

Well, he sits and smokes an old eye bolt cigar and says he doesn't miss it at all But he still goes out and makes a few trips in the summer and the fall Well, the railroad trains, the bus and the planes are taking up all the slack He's been watching those river towns slowly turn their back

Well, he comes from a real old time way of life - He had to fight just to learn how He might even voted for Nixon once, but I'm sure he sees that now Well, Friday nights he makes the best damn gumbo you'd ever want to eat Saturday morning, before everyone's up, he's gone off down to the fleet

You're as pretty as he is ugly, and he's the happiest man alive You've got him into believing that old men are back in style Now, you see these oysters Bennville and this baked potato skin I eat 'em so I can grow up to be and old man just like him

Verse is choppy Am to C Choruses are all hold the E

Heard of a van that is loaded with weapons - Packed up and ready to go Heard of some gravesites, out by the highway - A place that nobody knows The sound of gunfire, off in the distance - I'm getting used to it now Lived in a brownstone, lived in the ghetto - I've lived all over this town

#### **CHORUS**

This ain't no party, this ain't no disco, this ain't no fooling around No time for dancing, or lovey dovey - I ain't got time for that now

Transmit the message to the receiver - Hope for an answer some day I got three passports, a couple of visas - You don't even know my real name High on a hillside, the trucks are loading - Everything's ready to roll I sleep in the daytime, I work in the night time - I might not ever get home

### **CHORUS**

Why stay in college? Why go to night school? - Gonna be different this time Can't write a letter, can't send a postcard - I can't write nothing at all

### **CHORUS**

This ain't no party, this ain't no disco, this ain't no fooling around I'd like to hold you, I'd love you kiss you but I ain't got no time for that now

Trouble in transit, got through the roadblock - We blended with the crowd We got computer, we're tapping phone lines - I know that ain't allowed We dress like students; we dress like housewives - Or in a suit and a tie I changed my hairstyle, so many times now I don't know what I look like!

You make me shiver, I feel so tender - We make a pretty good team Don't get exhausted, I'll do some driving - You ought to get some sleep Burned all my notebooks - What good are notebooks? They won't help me survive My chest is aching, burns like a furnace - The burning keeps me alive

You've gone to the finest schools, alright, Miss Lonely
But you know you only used to get juiced in it
You never had to live out on the street
But now you're gonna have to get used to it
You used to ride on the chrome horse with your diplomat
Who carried on his shoulders a Siamese cat
Ain't it hard when you discover that
He really wasn't where it's at
After he took from you everything he could steal
How does it feel? How does it feel?
To be on your own, with no direction home
A complete unknown, like a rolling stone

You never turned around to see the frowns
On the jugglers and the clowns when they all did tricks for you
Never understood that it ain't no good
You shouldn't let other people get your kicks for you
You said you'd never compromise
With the Mystery Tramp but now you realize
He's not selling any alibis, as you stare into the vacuum of his eyes
And he says, "Do you want to make a deal?"

How does it feel? How does it feel?

To have to be on your own, with no direction home
Like a complete unknown, like a rolling stone

Princess on the steeple and all the pretty people
They're all drinking, thinking that they've got it made
Exchanging all kinds of precious gifts
But you'd better lift your diamond ring, you'd better pawn it babe
You used to be so amused
At Napoleon in rags and the language that he used
Go to him now he calls you, you can't refuse
When you got nothing you got nothing to lose
You're invisible now you've got no secrets to conceal

How does it feel? Aaah, how does it feel? To be on your own, with no direction home Like a complete unknown, like a rolling stone

#### LUCKY – BOB NEUWIRTH

She got as far as a desert town with a lovely Spanish name In the back of a local cantina she found a friendly game Two smoky midnights later she owned a brand new car With a little luck and her daddy's deck of cards

Her growing reputation made the desert seem too small As one by one, she burned them down 'til she couldn't find a game at all So she headed for Las Vegas where the big time dealers are In a brand new dress with her daddy's deck of cards

She tired of Texas Hold'em, so she switched to Let It Ride

Over on Fremont Street, six bits won her a car So she rode it up the Strip where the flashy hotels are First she hit a royal -- not a dirty one this time Then she drew four deuces -- and then five wilds

Then "Hundred Dollar Homerun" - three coin "Red, White and Blue" Then "Double Jackpots" - "Double Diamonds" - Both progressives, too Then five buck "Black and Gold", five times in a row "Blazing Sevens" seven times, so the story goes

She even hit "Big Bertha" - five grand for just one coin She placed it on a parlay - took the Cowboys and the points She took the 'Niners and the "over" - the "under" and the Jets She took the whole college schedule and she won every bet

She picked the six in Powerball and called the Super Bowl She had the Triple Crown - win, place, and show At baccarat and blackjack, she could not seem to lose At French roulette she pressed her bet, four times on 32

She held the dice forever - at least it seemed that way She won a million dollars and then she walked away It was Christmas in Las Vegas, when the locals take the town Theresa hit a streak and laid her waitress' apron down

In her room after New Years' at the Thunderbird Hotel On the back of a winning keno card they found this living will My friends get all my money - may they always have enough To my enemies I leave my luck - only maybe not quite so tough The dealers get my "bones" - may they keep 'em on a roll
The Devil's had my body, now may the Good Lord take my soul
So do not try to find me, for I will not be found
I'm gonna keep this streak alive - I'm headed out of town

It was Christmas time in Vegas, when the locals own the town Theresa hit that streak, and laid her waitress' apron down

On the other side of town a boy is waiting With stormy eyes and dreams no-one could steal She drives on throught the night anticipating Cause he makes her feel the way she used to feel

She gets up and pours herself a strong one And stares out at the stars up in the sky. Another night, it's gonna be a long one; She draws the shade and hangs her head to cry.

And she wonders how it ever got this crazy She thinks about a boy she knew in school Did she get tired or did she just get lazy She's so far gone, she feels just like a fool

My, oh my, you sure know how to arrange things; You set it up so well, so carefully. Ain't it funny how your new life didn't change things; You're still the same old girl you used to be.

Fella 'cross town said he's lookin' for a man to move some old cars around Maybe me and Marie could find a burned-out van and do a little settlin' down Aw, but I'm just dreamin', I ain't got no ride and the junkyard's a pretty good ways That job's about a half week old besides, it'd be gone now anyway

I used to play the mouth harp pretty good - Hustled up a little dough But I got drunk and I woke up rolled a couple of months ago They got my harp and they got my dollar - Them low life so and so's Harps cost money and I ain't got it - It's my own fault I suppose

Unemployment said I got no more checks and they showed me to the hall My brother died in Georgia some time ago - I got no one left to call Summer wasn't bad below the bridge - A little short on food that's all Now I gotta get Marie some kind of coat - We're headed down into fall

The Pocono's down but the Chesapeake's runnin' two freights everyday If it was just me I'd be headed south but Marie can't catch no train She's got some pain and she thinks it's a baby, says we gotta wait and see In my heart I know it's a little boy - Hope he don't end up like me

Well, the man's still grinnin' says he lost my file - I gotta stand in line again I want to kill him but I just say no I had enough of that line my friend I head back to the bridge, its getting kinda cold - I'm feelin' too low down to lie I guess I'll just tell Marie the truth - Hope she don't break down and cry

Marie she didn't wake up this morning - She didn't even try She just rolled over and went to heaven - My little boy safe inside I laid them in the sun where somebody'd find them caught a Chesapeake on the fly Marie will know I'm headed south so's to meet me by and by

Marie will know I'm headed south so to meet me by and by

## ME AND BOBBY McGEE – KRIS KRISTOFFERSON

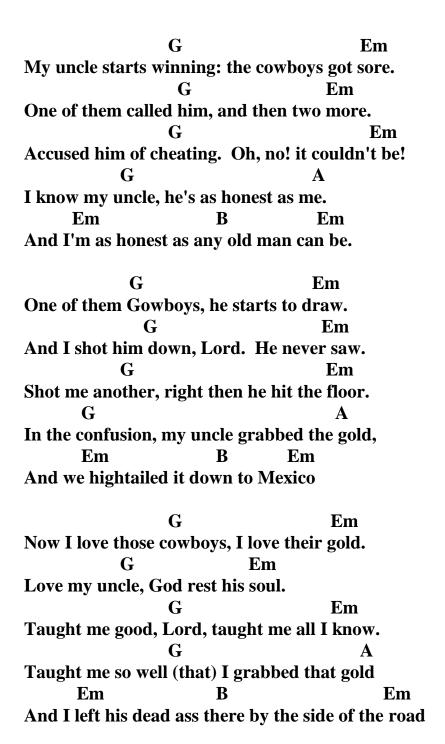

G
Busted flat in Baton Rouge, waitin' for a train,
D
Feeling nearly faded as my jeans,
D
Bobby flagged a diesel down, just before it rained,
G
Took us all the way to New Orleans.
G
I took my harp out of my dirty red bandanna,
C
I was blowin' sad while Bobby sang the blues,
C
Windshield wipers slappin' time,
G
Bobby clappin' hands in mine,
We sang up arrang sang that driven know
We sang up every song that driver knew.
C G
Freedom's just another word for nothin' left to do.
D G
Nothin' ain't worth nothin' but it's free.
C G
Feelin' good was easy Lord, when Bobby sang the blues
D
Feelin' good was good enough for me,
D G
Good enough for me and Bobby McGee.

G From the coal mines of Kentucky to the California sun, Bobby shared the secrets of my soul, Standing right beside me, Lord, through everything I done, Bobby's body kept me from the cold. G Then somewhere near Salinas, Lord, I let her slip away, Lookin' for that home, I hope she finds it, C And I'd trade all my tomorrows for a single vesterday Holding Bobby's body close to mine.  $\mathbf{C}$ Freedom's just another word for nothin' left to do. #### **MONSTER MASH - BOBBY PICKETT**

G

I was working in the lab late one night

Em

When my eyes beheld an eerie sight

(

For my monster from his slab began to rise

D

And suddenly to my surprise

#### **CHORUS**

G

(He did the mash) He did the monster mash

Em

(The monster mash) It was a graveyard smash

(

(He did the mash) It caught on in a flash

D

(He did the mash) He did the monster mash

G

From my laboratory in the castle east

Em

To the master bedroom where the vampires feast

C

The ghouls all came from their humble abodes

D

To get a jolt from my electrodes

#### **REPEAT CHORUS**

C

The zombies were having fun

D

The party had just begun

C

The guests included Wolf Man

D

Dracula and his son

G

The scene was rockin', all were digging the sounds

Em

Igor on chains, backed by his baying hounds

C

The Coffin-Bangers were about to arrive

D

With their vocal group, "The Crypt-Kicker Five"

G

(They played the mash) They played the monster mash

Em

(The monster mash) It was a graveyard smash

C

(They played the mash) It caught on in a flash

D

(They played the mash) They played the monster mash

G

Out from his coffin, Drac's voice did ring

Em

Seems he was troubled by just one thing

C

Opened the lid and shook his fist

D

And said, "Whatever happened to my Transylvania twist?"

G

(It's now the mash) It's now the monster mash

Em

(The monster mash) And it's a graveyard smash

 $\mathbf{C}$ 

(It's now the mash) It's caught on in a flash

D

(It's now the mash) It's now the monster mash

 $\mathbf{G}$ 

Now everything's cool, Drac's a part of the band

And my monster mash is the hit of the land

C

For you, the living, this mash was meant too

When you get to my door, tell them Boris sent you

G

(Then you can mash) Then you can monster mash

Em

(The monster mash) And do my graveyard smash

 $\mathbf{C}$ 

(Then you can mash) You'll catch on in a flash

D

(Then you can mash) Then you can monster mash

G

Wah-ooh, Monster Mash (Ugh, Mash good!)

Em

Wah-ooh, Monster Mash (Easy Igor, you impetuous young boy)

Wah-ooh, Monster Mash (Ugh, Mash good! Ughhrr)

## NOT A DROP OF RAIN - ROBERT EARL KEEN

CAPO 5th Fret
INTRO: Dm C
C
Streets are almost empty - the shops are all closed down Em
There's not a soul left in the park to tell my troubles to Am
Think I'll walk down to the river that runs just south of town F
I hate like hell when there ain't nothin' left to do
C G Am G F
But stand beneath the river bridge and listen for the train Am G C
It's been a long hot summer - not a drop of rain
С
I broke down in December, I headed for the coast Em
I thought the wind and water would elevate my mind Am
I surfaced in the springtime feelin' like a ghost F
Missin' more than ever the things I left behind  C G Am G F

Now I'm standin' on this river bank and still cannot explain Am G C
It's been a long hot summer - not a drop of rain
$\mathbf{C}$
My bag is full of letters, unopened and unread Em
I'm sure they'd tell the story of worry and of form Am
My heart is beatin' heavy with all we left unsaid F
I swear to you I never meant you any harm
C G Am G F
But sacrifice and compromise can never stand the strain
Am G C
It's been a long hot summer - not a drop of rain

Tonight I close my eyes again and try to see your face  Em  Listen for your voice to tell me it's alright to sleep  Am  Convince myself I'll wake up in another time and place  F  Knowin' all the while it's a promise I can't keep  C  G  Am  G  F  String of broken promises, another link of chain

#### **ODE TO BILLY JOE - BOBBIE GENTRY**

**A7** 

It was the third of June, another sleepy, dusty, elta day A7

I was out chopping cotton and my brother was bailing hay D7

And at dinnertime we stopped and walked back to the house to eat A7

And Mama hollered at the back door, "Y'all remember to wipe your feet." D7

Then she said, "I got some news this morning from Choctaw Ridge A7 D7 A7

Today Billy Joe McAllister jumped off the Tallahatchee Bridge.

Papa said to Mama, as he passed around the black-eyed peas "Well, Billy Joe never had a lick of sense, pass the biscuits please There's five more acres in the lower forty I've go to plow." And Mama said it was a shame about Billy Joe anyhow Seems like nothing ever comes to no good up on Choctaw Ridge And now Billy Joe McAllister's jumped off the Tallahatchee Bridge.

Brother said he recollected when he and Tom and Billy Joe
Put a frog down my back at the Carrol Country picture show
And wasn't I talking to him after church last Sunday night
I'll have another piece of apple pie, you know, it don't seem right
I saw him at the sawmill yesterday on Choctaw Ridge
And now you tell me Billy Joe jumped off the Tallahatchee Bridge.

Mama said to me, "Child, what's happened to your appetite?

I been cooking all morning and you haven't touched a single bite
That nice young preacher Brother Taylor dropped by today
Said he'd be pleased to have dinner on Sunday, Oh, by the way
He said he saw a girl that looked a lot like you up on Choctaw Ridge
And she an' Billy Joe was throwing something off the Tallahatchee Bridge."

A year has come and gone since we heard the news 'bout Billy Joe Brother married Becky Thompson, they bought a store in Tupelo There was a virus going 'round, Papa caught it and died last spring And now Mama doesn't seem to want to do much of anything And me I spend a lot of time picking flowers up on Choctaw Ridge And drop them into the muddy water off the Tallahatchee Bridge.

G

 $\mathbf{C}$   $\mathbf{D}$ 

INTRO: G C D

Standin' in the corner by the mantelpiece,
Up in the corner by a bucket of grease;
I greased my feet with a little axle grease,
Went slippin' up and down that mantelpiece.
Huntin' matches. Cigarette stubs. Chewin' tobacco. Left overs.

Make up the beds, gal, make 'em up nice, Clean out the house, and chase out the mice, Set up the table, and set it up right, 'Cause old Preacher Johnson's gonna be here tonight. He's a chicken eater. Loves cakes. Loves the sisters, too.

Standin' on the corner, standin' like a man, Standin' on the corner with a bucket in my hand. Standin' on the corner with a bucket in my hand Waitin' for sop from the white folk's hand. 'Lasses. Sweetlin' potatoes. Cold biscuits.

Down in the wildwood, settin' on a log, My finger on the trigger and my eye on a hog. I pulled that trigger and the gun said "blip," Jumped on that hog with all my grip. Earin' hog eye. Love chittlins. Behind the henhouse the other night
It was awful dark and I had no light.
The farmer's dog run out by chance
And he bit a big hole in the seat of my pants.
I jumped gullies. Robe bushes. Plowed ground. Felt funny.

Behind the henhouse on my knees
I thought I heard a chicken sneeze;
Only a rooster sayin' his prayers
And givin' out hymns to the hens upstairs.
Just preachin'. Hens a-singin'. Little young chickens just a-hopin'.

They put me in the jailhouse on my knees All they give me was a pan of peas. The peas was red and the meat was fat, And I got stuck on the jailhouse just for that. Go sassy. Impudent. Wanted to fight.

Now I been here and I been there, I rambled round 'most everywhere. Purtiest little gal I ever did see A-walkin' up and down by the side of me. Mouth wide open. Catchin' flies. Knows I'm crazy.

There ain't no use of me workin' so hard
I got a woman in the white folk's yard.
When she kill a chicken she saves me the feet,
She thinks I'm workin' but I'm loafin' the street.
Havin' a good time. Talkin' about her. To two other women.

## POSITIVELY 4TH STREET – BOB DYLAN

### CAPO 1st Fret

G	Am	C		$\mathbf{G}$	
You g	ot a lotta n	erve to s	ay you ar	e my friend	
G	D	$\mathbf{C}$	Em	D	
When	I was dow	n you ju	st stood t	here grinning	
G	Am	$\mathbf{C}$			$\mathbf{G}$
You g	ot a lotta n	erve to s	ay you go	otta helping h	and to lend
G	D	$\mathbf{C}$	Em	$\mathbf{D}$	
You i	ust want to	be on th	e side tha	at's winning	

You say I let you down. You know it's not like that If you're so hurt why then don't you show it? You say you lost your faith but that's not where it's at You had no faith to lose and you know it

I know the reason that you talk behind my back
I used to be among the crowd you're in with
Do you take me for such a fool to think I'd try to make contact
With the one who tries to hide what he don't know to begin with

You see me on the street. You always act surprised You say, "How are you?", "Good luck" but you don't mean it When you know as well as me you'd rather see me paralyzed Why don't you just come out once and scream it?

No, I do not feel that good when I see the heartbreaks you embrace If I was a master thief perhaps I'd rob them And now I know you're dissatisfied with your position and your place Don't you understand it's not my problem?

I wish that for just one time you could stand inside my shoes And just for that one moment I could be you Yeah, I wish that for just one time you could stand inside my shoes You'd know what a drag it is to see you

`Cause that is no way to get along

# PUFF, THE MAGIC DRAGON – PETER, PAUL & MARY

(Chorus)
C Em F C
Puff, the magic dragon lived by the sea
F C Am D7 G
And frolicked in the autumn mist in a land called Honah Lee
C Em F C
Little Jackie Paper loved that rascal Puff,
F C Am D7 G C
And brought him strings and sealing wax and other fancy stuff. Oh!
(Chorus, twice)
Together they would travel on a boat with billowed sail
Jackie kept a lookout perched on Puff's gigantic tail,
Noble kings and princes would bow whenever they came,
Pirate ships would lower their flag when Puff roared out his name. Oh!
(Chorus, twice)
A dragon lives forever but not so little boys
Painted wings and giant rings make way for other toys.
One gray night it happened, Jackie Paper came no more
And Puff that mighty dragon, he ceased his fearless roar.
His head was bent in sorrow, green scales fell like rain,
Puff no longer went to play along the cherry lane.
Without his life-long friend, Puff could not be brave,
So Puff that mighty dragon sadly slipped into his cave. Oh!
(Chorus, softly)
(Chorus loudly)

If I had a nickel I'd find a game

If it rained an ocean I'd drink it dry

Legs to walk and thoughts to fly Eyes to laugh and lips to cry A restless tongue to classify All born to grow and grown to die

So tell my baby I said so long Tell my mother I did no wrong Tell my brother to watch his own And tell my friends to mourn me none

I'm chained upon the face of time Feelin' full of foolish rhyme There ain't no dark till something shines I'm bound to leave this dark behind

Ride the blue wind high and free She'll lead you down through misery Leave you low, come time to go Alone and low as low can be

#### Blues in A

Don't it ever get lonesome?
Don't it ever get sad when you go out on the road?
Don't it ever get lonesome?
Don't it ever get sad when you go out on a thirty day tour?
You got nothing but groupies and promoters to love you
And a pile of laundry by the hotel door

Don't it ever get lonesome?
Don't it ever give a young man the blues?
Don't it ever get lonesome?
Don't it ever make a young man want to go back home?
When the P.A. system eats it,
And the band plays some of the most terriblest shit you've ever known

#### **CHORUS:**

Don't you ever miss your house in the country And your hot little mamma girl? Don't you ever miss your house in the country And your hot little mamma girl? Don't you better get a shot from the doctor (For) What the Road Ladies do to you?

I know someday, I will never
I'll never go out on the road again
I know someday, I will never
I ain't gonna roam the country side no more

And heal my knees up from when I was doing it on the floor
See me doing it! See me doing it on the floor!

### **SAM STONE – JOHN PRINE**

He went to work when he'd spent his last dime
And soon he took to stealing when he got that empty feeling
For a hundred dollar habit without overtime.
And the gold roared through his veins
Like a thousand railroad trains,
And eased his mind in the hours that he chose,
While the kids ran around wearing other peoples' clothes...

### **REPEAT CHORUS**

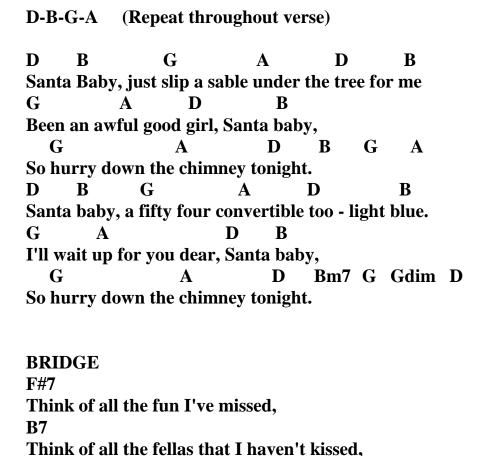

Sam Stone was alone when he popped his last balloon, Climbing walls while sitting in a chair.
Well, he played his last request,
While the room smelled just like death,
With an overdose hovering in the air.
But life had lost it's fun,
There was nothing to be done,
But trade his house that he bought on the GI bill,
For a flag-draped casket on a local hero's hill.

## CAPO 1st Fret

G Am
Okay so I was wrong about
D
My reasons for us fallin' out
G
Of love I want to fall back in

My life is different now I swear I know now what it means to care About somebody other than myself

I know the things I said to you They were un-tender and untrue I'd like to see those things undo

So if you could find it in your heart To give a man a second start I promise things won't end the same

## **CHORUS**

Okay so I have read the mail The stories people often tell About us that we never knew

But their existence will float away And just like every word they say And we will hold hands as they fade

REPEAT CHORUS G C

**BRIDGE** 

C Bm

I felt so sure of everything

Em

My love to you so well received

A

And I just strutted around your town

C

Knowing I didn't let you down

Bm

The truth be known, the truth be told

Em

My heart was always fairly cold

A

Posing to be as warm as yours

C

My way of getting in your world

Bm

But now I'm out and I've had time

To look around and think

Am

And sink into another world

n

That's filled with guilt and overwhelming

#### **REPEAT CHORUS**

And everyone they have a heart And when they break and fall apart And need somebody's helping hand

I used to say just let 'em fall It wouldn't bother me at all I couldn't help them now I can

#### SHARON – DAVID BROMBERG

 $\mathbf{E}$ 

Went to this carnival 'bout three years ago
No big deal, ferris wheel, the same ole' stuff you know
There was a man out there with a speech outside a tent
And he said it to me, and this is how it went

Folks, you know she walks, she talks She crawls on her belly like a reptile Same ole' line except one part You don't need no money, boy, you pay with your heart

#### **CHORUS:**

A E

Oh Sharon, what do you do to these men?

**B7** 

You know the same rowdy crowd that was

A7 E

Here last night is back again

Well. I went inside and looked around for a seat
The light went low, and the band played a beat
Out came this girl, wearing a scarf and sleeves
Did a little dance that made me weak in the knees
That girl, she danced like her back had no bone
While the band played a tune called the 'Main Street Moan'

She smiled a smile the whole world could see She turned around, and she looked right at me I must have jumped six feet in the air And when I came down, that girl wasn't there

#### REPEAT CHORUS

Out came this guy with a big ole' red beard And furry arms, man he looked like a bear He said that all there is, there's no more to the show If y'all wanna breathe right, I think you better go I didn't think twice, headed straight for the door And when I left, I heard that big bear roar

#### REPEAT CHORUS

Every time that carnival came, I was right there Lord, I learned to stay away from that mean ole' bear Just like the man said from his speech at the start When that carnival left town it took a piece of my heart I still get this funny feeling way down in my bones Whenever a band plays that 'Main Street Moan'

#### SHE'S ALREADY MADE UP HER MIND - LYLE LOVETT

CAPO 2nd Fret DROP D Tuning

Same chord pattern throughout song

D D/B D/C D/B D

She said something about going home She said something about needing to spend some time alone And she wondered out loud what it was she had to find But she's already made up her mind

All my friends told me she was too young Well I knew that myself and I tried to run But the faster I ran the more I fell behind Because she'd already made up her mind She's already made up her mind

Now there is nothing so deep as the ocean And there is nothing so high as the sky And there is nothing so unwavering as a woman When she's already made up her mind

So now she's sitting at one end of the kitchen table And she is staring without an expression And she is talking to me without moving her eyes Because she's already made up her mind

She's already made up her mind She's already made up her mind

She said something about going home She said something about needing to spend some time alone And she wondered out loud what it was she had to find But she's already made up her mind So my friend carry me down to the water's edge And then sail with me out to that ocean deep And let me go easy down over the side And remember me to her

She's already made up her mind She's already made up her mind She's already made up her mind

#### SHELTER FROM THE STORM – BOB DYLAN

## CAPO 1st Fret

$\mathbf{E}$	В	${f A}$	$\mathbf{E}$	
'Twas in and	other lifetim	e, one	of toil and b	lood
$\mathbf{E}$	F	3	$\mathbf{A}$	
When black	ness was a v	rirtue a	nd the road	was full of mud
${f E}$	В		$\mathbf{A}$	
I came in fr	om the wild	erness,	a creature v	oid of form.
${f E}$		В	$\mathbf{A}$	${f E}$
"Come in."	she said, "I	'll give	vou shelter f	from the storm."

And if I pass this way again, you can rest assured I'll always do my best for her, on that I give my word In a world of steel-eyed death, and men who are fighting to be warm. "Come in," she said, "I'll give you shelter from the storm."

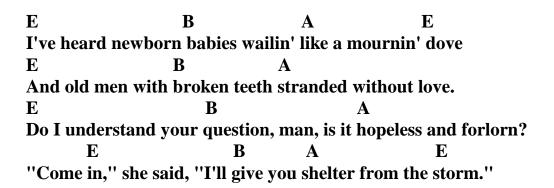

Not a word was spoke between us, there was little risk involved Everything up to that point had been left unresolved. Try imagining a place where it's always safe and warm. "Come in," she said, "I'll give you shelter from the storm."

I was burned out from exhaustion, buried in the hail, Poisoned in the bushes an' blown out on the trail, Hunted like a crocodile, ravaged in the corn. "Come in," she said, "I'll give you shelter from the storm."

Suddenly I turned around and she was standin' there With silver bracelets on her wrists and flowers in her hair. She walked up to me so gracefully and took my crown of thorns. "Come in," she said, "I'll give you shelter from the storm."

Now there's a wall between us, somethin' there's been lost I took too much for granted, got my signals crossed. Just to think that it all began on a long-forgotten morn. "Come in," she said, "I'll give you shelter from the storm."

Well, the deputy walks on hard nails and the preacher rides a mount But nothing really matters much, it's doom alone that counts And the one-eyed undertaker, he blows a futile horn.
"Come in," she said, "I'll give you shelter from the storm."

In a little hilltop village, they gambled for my clothes I bargained for salvation an' they gave me a lethal dose. I offered up my innocence and got repaid with scorn. "Come in," she said, "I'll give you shelter from the storm."

Well, I'm livin' in a foreign country but I'm bound to cross the line Beauty walks a razor's edge, someday I'll make it mine. If I could only turn back the clock to when God and her were born. "Come in," she said, "I'll give you shelter from the storm."

## SILVER THREADS AND GOLDEN NEEDLES - LINDA RONSTADT

**CAPO 4th Fret** I don't want your lonely mansion with a tear in every room All I want is the love you promised beneath the haloed moon But you think I should be happy with your money and your name And hide myself in sorrow while you play your cheating game G Silver threads and golden needles cannot mend this heart of mine And I dare not drown my sorrows in the warm glow of your wine You can't buy my love with money cause I never was that kind Silver threads and golden needles cannot mend this heart of mine **BREAK** CGFD GCGDG G Silver threads and golden needles cannot mend this heart of mine And I dare not drown my sorrows in the warm glow of your wine You can't buy my love with money cause I never was that kind

**Intro: Verse Chords once through**

D
And watched out for a simple twist of fate

They walked along by the old canal
A little confused, I remember well
And stopped into a strange hotel with a neon burnin' bright
He felt the heat of the night hit him like a freight train
Moving with a simple twist of fate

A saxophone someplace far off played As she was walkin' by the arcade As the light bust through a beat-up shade where he was wakin' up, She dropped a coin into the cup of a blind man at the gate And forgot about a simple twist of fate

## **HARP BREAK (One Verse)**

He woke up, the room was bare
He didn't see her anywhere
He told himself he didn't care, pushed the window open wide
Felt an emptiness inside to which he just could not relate
Brought on by a simple twist of fate

He hears the ticking of the clocks
And walks along with a parrot that talks
Hunts her down by the waterfront docks where the sailors all come in
Maybe she'll pick him out again, how long must he wait
Once more for a simple twist of fate

People tell me it's a sin
To know and feel too much within
I still believe she was my twin, but I lost the ring
She was born in spring, but I was born too late
Blame it on a simple twist of fate

CAPO 5 th Fret
INTRO: $D G A D (2x)$
D G
All the snow has turned to water
A D
Christmas day has come and gone
D G
Broken toys and faded colors
A D
Are all that's left to linger on
D G
I hate graveyards and old pawnshops
A D
For they always bring me tears
D G
Can't forgive the way they rob me
$\mathbf{A}$ $\mathbf{D}$
Of my childhood souvenirs
CHORUS
A D
Memories, they can't be boughten
A D
They can't be won at carnivals for free
A D
It took me years, to get those souvenirs
$\mathbf{G}$
And I don't know how they slipped away from me
Broken hearts and dirty windows
Make life difficult to see
That's why last night and this morning
Always look the same to me

I hate reading old love letters For they always bring me tears Can't forgive the way they rob me Of my sweetheart souvenirs

#### **SPACE COWBOY - STEVE MILLER**

All verses: E - A (Repeated over and over)

I told you 'bout living in the U.S. of A.
Don't you know that I'm a gangster of love
Let me tell you people that I found a new way
And I'm tired of all this talk about love
It's the same old story with a new set of words
About the good and the bad and the poor
And the times keep on changing
So I'm keeping on top
Of every badcat who walks through my door

### **CHORUS:**

 $\mathbf{E}$ 

I'm a space cowboy

 $\mathbf{A}$ 

Bet you weren't ready for that

 $\mathbf{E}$   $\mathbf{G}$ 

I'm a space cowboy

A C

I'm sure you know where it's at

E-A E-A E

Yeah, yeah, yeah, yeah

I was born on this rock
And I've been traveling through space
Since the moment I first realized
What all you fast talking cats would do if you could
You know, I'm ready for the final surprise
There ain't no way around it
Ain't nothing to say
That's gonna satisfy my soul deep inside
All the prayers and surveyors
Keep the whole place uptight
While it keeps on getting darker outside

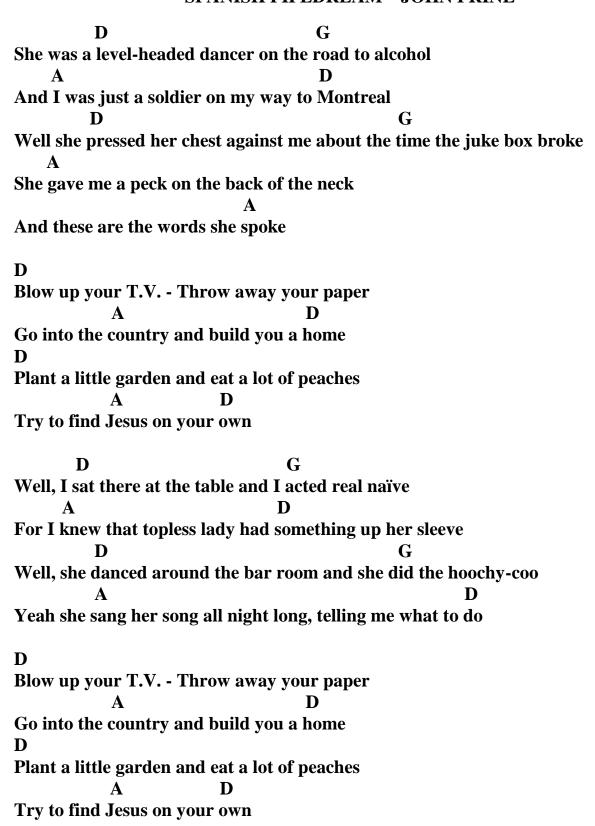

### **REPEAT CHORUS**

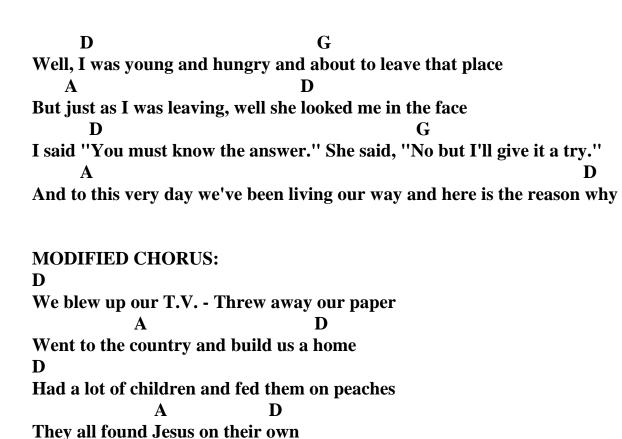

### **BREAK VERSE AND CHORUS**

I see the showdowns, slow downs, lost and found, turnarounds
The boys in the military shirts
I keep my eyes on the prize, on the long fallen skies
And I don't let my friends get hurt
All you back room schemers, small trip dreamers
Better find something new to say
Cause you're the same old story
It's the same old crime
And you got some heavy dues to pay

### **REPEAT CHORUS**

D	
And what in heaven's name have you done?	
$\mathbf{G}$	
You've broken the speed of the sound of lone	liness
D G	
You're out there running just to be on the ru	n

Well, I got a heart that burns with a fever And I got a worried and a jealous mind How can a love that'll last forever Get left so far behind

### REPEAT CHORUS

It's a mighty mean and a dreadful sorrow That's crossed the evil line today How can you ask about tomorrow When we ain't got one word to say

REPEAT CHORUS, LAST LINE THREE TIMES AND END

### ST. JAMES INFIRMARY BLUES – TRADITIONAL

Am E7 Am F E E7

I went down to old Joe's barroom on the corner by the square

Am E7 Am F E7 Am

They were serving the drinks as usual and the usual crowd was there.

On my left stood old Joe McKennedy And his eyes were bloodshot red He turned to the crowd around him These are the words he said

I went down to St. James Infirmary To see my baby there, She was lying on a long white table So sweet, so cool, so fair.

Went up to see the doctor
"She's very low," he said
Went back to see my baby
Good God, she's lying there dead.

Let her go, let her go, God bless her Wherever she may be She may search the wide world over And never find a better man than me

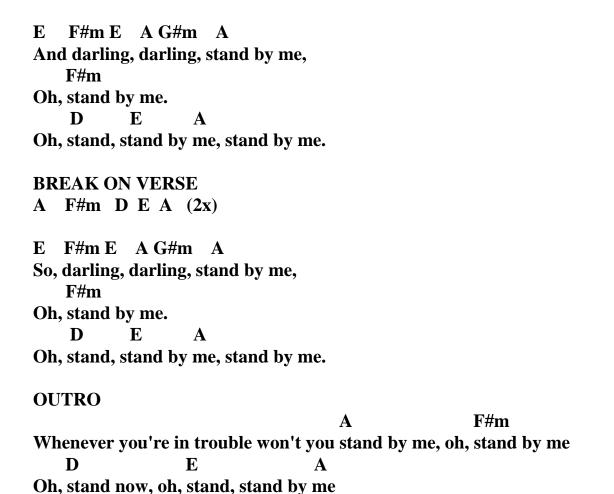

Oh, when I die, please bury me In my high top Stetson hat Place a twenty-dollar gold piece on my watch chain To let the Lord know I died standing pat.

Get six gamblers to carry my coffin Six chorus girls to sing me a song Put a twenty-piece jazz band on my tail gate To raise Hell as we go along

Now that's the end of my story Let's have another round of booze And if anyone should ask you just tell them I've got the St. James Infirmary blues

Plow my corn with a double shovel

Steel rails, chasing sunshine round the bend				
C D C G				
Winding through trees, like a ribbon in the wind

If I really had you once, then I'd have you, when I'm gone				
Whistle blowing, blowing lonesome, in my mind				
Calling me along, that never ending, metal line

Johnny's in the basement mixing up the medicine

 $\mathbf{E}$ 

I'm on the pavement thinking about the government

 ${f E}$ 

The man in the trench coat, badge out, laid off

 $\mathbf{E}$ 

Says he's got a bad cough. Wants to get it paid off

A

Look out kid, It's somethin' you did

 $\mathbf{E}$ 

God knows when but you're doin' it again

**B7** 

You better duck down the alley way lookin' for a new friend

A

The man in the coon-skin cap by the big pen

 $\mathbf{E}$ 

Wants eleven dollar bills but you only got ten

Maggie comes fleet foot, face full of black soot
Talkin' that the heat put plants in the bed but
The phone's tapped anyway, Maggie says that many say
They must bust in early May. Orders from the D.A.
Look out kid. Don't matter what you did
Walk on your tiptoes. Don't try "No-Doz"
Better stay away from those that carry around a fire hose
Keep a clean nose watch the plain clothes
You don't need a weatherman to know which way the wind blows

Get sick, get well, hang around a ink well
Ring bell, hard to tell if anything is goin' to sell
Try hard, get barred, get back, write braille
Get jailed, jump bail, join the army, if you fail
Look out kid. You're gonna get hit
But users, cheaters, six-time losers hang around the theaters
Girl by the whirlpool lookin' for a new fool
Don't follow leaders. Watch the parkin' meters

 $\mathbf{E}$ 

Ah get born, keep warm, short pants, romance, learn to dance

 $\mathbf{F}$ 

Get dressed, get blessed, try to be a success

E

Please her, please him, buy gifts, don't steal, don't lift

 $\mathbf{E}$ 

Twenty years of schoolin' and they put you on the day shift

A

Look out kid. They keep it all hid

F

Better jump down a manhole, light yourself a candle

**B7** 

Don't wear sandals, try to avoid the scandals

A

Don't wanna be a bum you better chew gum

F

#### TALKING VIETNAM POTLUCK BLUES - TOM PAXTON

When I landed in Vietnam I hardly got to see Saigon
They shaped us up and called the roll and off we went on a long patrol
Swattin' flies, swappin' lies
Firing the odd shot here and there

The captain called a halt that night and we had chow by the pale moonlight A lovely dinner they planned for us with a taste like a seat on a crosstown bus Some of the veterans left theirs in the cans for the Viet Cong to find...

Deadlier than a land mine

Well naturally somebody told a joke and a couple of fellas began to smoke I took a whiff as a cloud rolled by and my nose went up like an infield fly The captain, this blonde fella from Yale, said "What's the matter with you, baby?"

Well, I may be crazy, but I think not. I'd swear to God that I smell pot. But who'd have pot in Vietnam? He said, "What do you think you're sittin' on?" These funny little plants - thousands of them. Good God Almighty... Pastures of Plenty!

We all lit up and by and by the whole platoon was flying high. With a beautiful smile on the captain's face he smelled like midnight on St. Mark's Place.

Cleaning his weapon....Chanting the Hare Krishna.

The moment came as it comes to all when I had to answer nature's call I was stumbling around in a beautiful haze when I met a little cat in black P.J.'s, Rifle, ammo-belt, B.F. Goodrich sandals. He looked up at me and said, "Whatsa' matta wit-choo, baby?"

He said, "We're campin' down the pass and smelled you fellas blowin' grass, And since by the smell you're smokin' trash I brought you a taste of a special stash Straight from Uncle Ho's victory garden....We call it Hanoi gold."

So his squad and my squad settled down and passed some lovely stuff around. All too soon it was time to go. The captain got on the radio. . . "Hello, headquarters. We have met the enemy And they have been smashed!"

Tangled up in	blue			

She was married when we first met - Soon to be divorced I helped her out of a jam, I guess, but I used a little too much force. We drove that car as far as we could - Abandoned it out West Split up on a dark sad night both agreeing it was best. She turned around to look at me as I was walkin' away I heard her say over my shoulder, "We'll meet again someday on the avenue," Tangled up in blue

I had a job in the great north woods working as a cook for a spell But I never did like it all that much and one day the ax just fell. So I drifted down to New Orleans wwhere I happened to be employed Workin' for a while on a fishin' boat right outside of Delacroix. But all the while I was alone the past was close behind, I seen a lot of women but she never escaped my mind, and I just grew Tangled up in blue.

She was workin' in a topless place and I stopped in for a beer, I just kept looking' at the side of her face in the spotlight so clear. And later on as the crowd thinned out - I was just about to do the same, She was standing there in back of my chair Said "Excuse me, don't I know your name?" I muttered somethin' underneath my breath, she studied the lines on my face. I must admit I felt a little uneasy when she bent down to tie the laces of my shoe Tangled up in blue.

I lived with them on Montague Street in a basement down the stairs,
There was music in the cafes at night and revolution in the air.
Then he started into dealing with slaves and something inside of him died.
She had to sell everything she owned and froze up inside
And when finally the bottom fell out I became withdrawn,
The only thing I knew how to do was to keep on keepin' on like a bird that flew
Tangled up in blue.

So now I'm goin' back again, I got to get to her somehow
All the people we used to know they're an illusion to me now
Some are mathematicians. Some are carpenter's wives.
Don't know how it all got started, I don't know what they're doin' with their lives.
But me, I'm still on the road headin' for another joint
We always did feel the same, ee just saw it from a different point of view
Tangled up in blue.

Well times were hard and, lord, jobs were few All through Tecumseh Valley But she asked around And a job she found Tending bar at Gypsy Sally's

Well she saved enough to get back home When spring replaced the winter But her dreams were denied Her pa had died The word came down from Spencer.

# TENNESSEE STUD – DOC WATSON

Intro: Lick then D D C D (2x)
D
Along about eighteen twenty-five C
I left Tennessee very much alive
D
Never would have made it through the Arkansas mud
D C D
If I hadn't been a-ridin' on the Tennessee Stud
D
I had some trouble with my sweetheart's pa C
One of her brothers was a bad outlaw
D
I sent her a letter by my Uncle Fudd
$\mathbf{D} \qquad \qquad \mathbf{C} \qquad \qquad \mathbf{D}  \mathbf{D}  \mathbf{C}  \mathbf{D}$
And I rode away on the Tennessee Stud
CHORUS
D C
The Tennessee Stud was long and lean G A
The color of the sun, and his eyes were green
D C
He had the nerve and he had the blood
$D \qquad \qquad C \qquad \qquad D \qquad (D  D  C  D \cdot 2x)$
And there never was a horse like the Tennessee Stud
Drifted on down into no man's land
Crossed that river called the Rio Grande
Raced my horse with the Spaniard's foal
'Til I got me a skin full of silver and gold.
Now me and a gambler, we couldn't agree
We got in a fight over Tennessee
We pulled our guns, and he fell with a thud
And I got away on the Tennessee Stud

**REPEAT CHORUS** 

I got just as lonesome as a man can be Dreamin' of my girl in Tennessee The Tennessee Stud's green eyes turned blue 'Cause he was a-dreamin' of a sweetheart, too

We loped right back across Arkansas
I whupped her brother and I whupped her pa
I found that girl with the golden hair
And she was a-riding on the Tennessee Mare

# 

And there never was a horse like the Tennessee Stud

Stirrup to stirrup and side by side We crossed the mountains and the valleys wide We came to Big Muddy, then we forded the flood On the Tennessee Mare and the Tennessee Stud

A pretty little baby on the cabin floor
A little horse colt playing 'round the door
I love that girl with the golden hair
And the Tennessee Stud loves the Tennessee Mare

REPEAT CHORUS THEN LICK AND END

### THAT'S THE WAY THE WORLD GOES ROUND - JOHN PRINE

F

Well I know a guy that's got a lot to lose,

Bb

He's a pretty nice fella, kinda confused.

F

He's got muscles in his head ain't never been used,

**C C7** 

He thinks he owns half of this town.

F

Well he starts drinkin' heavy, gets a big red nose,

Bh

Then he fights with his lady, until it shows.

F

He takes her out to dinner, and buys her new clothes,

And that's the way that the world goes 'round.

### **CHORUS**

 $\mathbf{F}$ 

That's the way that the world goes 'round,

Bb

You're up one day, the next you're down,

F

It's half inch of water, but you think you're gonna drown,

C

That's the way that the world goes 'round.

#### **BREAK**

I was sittin' in the bathtub, a-countin' my toes,

When the radiator broke, the water all froze.

I got stuck in the ice, without my clothes,

Naked as the eyes of a clown.

I was crying those ice cubes, hoping I'd croak,

When the sun came through the window, the ice all broke.

I stood up and laughed; I thought it was a joke,

That's the way that the world goes 'round.

### THE CAT CAME BACK - HARRY S. MILLER

C
Now old Mr. Johnson had troubles of his own

G
He had a yellow cat that wouldn't leave his home
C
He tried everything he could to get that cat away
C
Gave it to a man going far away
C
But the cat came back, the very next day
C
But the cat came back, just wouldn't stay away

Now the man around the corner swore he'd kill the cat on sight He loaded up his shotgun with nails and dynamites He waited and he waited for the cat to come around Ninety-seven pieces of the man is all they found But the cat came back, the very next day But the cat came back, just wouldn't stay away

Well, he gave a boy to set the cat afloat
The boy took hiim to the river in a little row boat
The boat toppled over and the boy was drown
Pieces of the boat were all that they found
But the cat came back, the very next day
But the cat came back, just wouldn't stay away

Gave it to man going up in a balloon
Told him for to take it to the man on the Moon
The balloon came down about 90 miles away
Where he is now, I dare not say
But the cat came back, the very next day
But the cat came back, just wouldn't stay away

They gave it to a man going way out west
Told him for to take it to the one he loved the best
First, the train hit the curve, then it jumped the rail
Not a soul was left behind to tell the gruesome tale
But the cat came back, the very next day
But the cat came back, just wouldn't stay away

Away across the ocean he did send the cat at last
Vessel out alone today taking water fast
People all began to pray the boat began to toss
A great big gust of wind came by and every soul was lost
But the cat came back, the very next day
But the cat came back, just wouldn't stay away

On a telegraph wire, sparrows sitting in a bunch
The cat was feeling hungry, thought she'd like them for a lunch
Climb softly up the pole, when she reached the top
Put her foot in the electric wire, which tied her in a knot
But the cat came back, the very next day
But the cat came back, just wouldn't stay away

Now the cat was a possessor of a family of a own
With seven little kittens and along came a cyclone
Blew the houses all apart and tossed the cat around
The air was full of kittens and not a one was found
But the cat came back, the very next day
But the cat came back, just wouldn't stay away, away, away, away
Just wouldn't stay away

## THE FIRST TIME – BOB NEUWIRTH

INTRO: G F
C G
The first time is the one time you think about forever
Bb F C
When it don't last it's the past you regret
C G
As life goes on, it seems to grow harder
Bb F C
To remember the reasons you want to forget
$\mathbf{C}$
Sometimes the love is like a bitter sweet honey
Bb F C
That sets the blood racing, reckless and wild
$\mathbf{C}$
With the first touch of true love my heart starts reciting
$\mathbf{B}\mathbf{b}$ $\mathbf{F}$ $\mathbf{C}$
The reason for two hearts to be beating in time
CHORUS

And after all of these years
$\mathbf{F}$
After all of these endless years
$\mathbf{C}$ $\mathbf{G}$ $\mathbf{F}$
You whisper in my ear "I'll follow you anywhere"
$\mathbf{C}$
Lover's memories are picture perfect
Bb F C
Nostalgic images aging in wine
$\mathbf{C}$
A lover's remorse turning to longing
Bb F C
And fading old photographs that slide through the mind

## THE GREAT COMPROMISE – JOHN PRINE

C
I knew a girl who was almost a lady
F
She had a way with all the men in her life G
Every inch of her blossomed in beauty F C
She was born on the Fourth of July C
Well, she lived in an aluminum house trailer F
And she worked in a juke-box saloon G
And she spent all the money I'd give her F
Just to see the ol' man in the moon
CHORUS
C
I used to sleep at the foot of Old Glory
F C
And awake in the Dawn's early light  F  C
But much to my surprise when I opened my eyes G C
I was a victim of the great compromise
Well, we'd go out on Saturday evening
To the Drive-in on Route Forty One

Well, we'd go out on Saturday evening
To the Drive-in on Route Forty One
And it was there that I first suspected
That she was doin' what she'd already done
She said "Johnny want you get me some popcorn"
And she knew I had to walk pretty far
And as soon as I passed through the moonlight
She hopped into a foreign sports car

# THE GUITAR – GUY CLARK

INTRO: Bm G A F# (2x)
Bm G
Well, I was passing by a pawn shop in an older part of town
$\mathbf{A}$ $\mathbf{F}$ #
Something caught my eye and I stopped and turned around
Bm G
I stepped inside and there I spied in the middle of it all  A  F#
Was a beat up old guitar hanging on the wall
was a beat up old guitar hanging on the wan
Bm G
What do you want for that piece of junk I asked the old man
A F#
He just smiled and took it down and he put it in my hand
Bm G
He said you tell me what it's worth. You're the one who wants it
A F#
Tune it up, play a song and let's just see what haunts it
Bm (2x)
Bm G
So I hit a couple of cords in my old country way of strumming
A F#
And then my fingers turned to lightning - Man, I never heard it coming
Bm G
It was like I always knew it - I just don't know where I learned it
A F#
It wasn't nothin' but the truth, so I just reared back and burned it
BREAK:
Bm G A F# (4x)

# THE LAST GUNFIGHTER BALLAD – GUY CLARK

Em
Now the old gunfighter on the porch
D
Stared into the sun C
Relived the days
Of living by the gun Em
When deadly games of pride were played D
And living was mistakes not made
And the thought of the smell of the black powder smoke G
And the stand in the street at the turn of a joke C
Ah, the smell of the black powder smoke  D  G
And the stand in the street at the turn of a joke
Em
He can almost feel the weight of the gun D
It's always keep your back to the sun C
It's faster than snakes or the blink of an eye G
And it's a time for all slow men to die Em
And his eyes get squinty and his fingers twitch D
And he empties the gun at the son of a bitch C
And he's hit by the smell of the black powder smoke  D  G
And the stand in the street at the turn of a joke C
Hit by the smell of the black powder smoke  D  G
And the stand in the street at the turn of a joke

Em
Now the burn of a bullet is only a scar
D
He's back in his chair in front of the bar
And the streets are empty and the blood's all dried G
And the dead are dust and the whiskeys inside Em
So buy him a drink and lend him an ear D
He's nobody's fool and the only one here
Who remembers the smell of the black powder smoke D G
And the stand in the street at the turn of a joke G
Remember the smell of the black powder smoke G
And the stand in the street at the turn of a joke
Em
He said I stood in that street before it was paved D
Learned shoot or be shot before I could shave C
And I did it all for the money and fame G
Noble was nothing but feeling no shame Em
And nothing was sacred but stayin' alive D
And all that I learned from a Colt 45
Was to curse the smell of the black powder smoke  O  G
And the stand in the street at the turn of a joke C
Curse the smell of the black powder smoke  D  G

Em	
Now he's just an old man	that no one believes
D	
Says he's a gunfighter, the	e last of the breed
And there are ghosts in th	e street seeking revenge
$\mathbf{G}$	
Calling him out to the luna	atic fringe
Em	
Now he's out in the traffic	checking the sun
D	
And he's killed by a car as	s he goes for his gun
So much for the smell of the	he black powder smoke
D	$\overline{\mathbf{G}}$
And the stand in the street	t at the turn of a joke
$\mathbf{C}$	${f G}$
So much for the smell of the	he black powder smoke

## THE LAST THING ON MY MIND - TOM PAXTON

CAPO 2 nd Fret

Made of sand, made of sand
$\mathbf{G}$ $\mathbf{C}$ $\mathbf{G}$ $\mathbf{C}$ $\mathbf{G}$

$\mathbf{C}$ $\mathbf{G}$ $\mathbf{D}$ $\mathbf{G}$ $\mathbf{C}$ $\mathbf{G}$
In your hand, in your hand
CHORUS: (After each verse)
D C G
Are you going away with no word of farewell
$\mathbf{C}$ $\mathbf{G}$ $\mathbf{D}$
Will there be not a trace left behind
$\mathbf{G}$ $\mathbf{C}$ $\mathbf{G}$ $\mathbf{C}$ $\mathbf{G}$
Well, I could have loved you better, I didn't mean to be unkind
$\mathbf{G}$ $\mathbf{D}$ $\mathbf{G}$ $\mathbf{C}$ $\mathbf{G}$
You know that was the last thing on my mind
As we walk all my thoughts are a tumbling Round and round, round and round Underneath our feet the subway's rumbling Underground, underground
You've got reasons a plenty for going This I know, this I know For the weeds have been steadily growing Please don't go, please don't go
BREAK (One Verse)

As I lie in the bed in the morning Without you, without you Each song in my breast dies a-borning Without you, without you

Why do you always seem to criticize me?
D
Seems like everything I do just turns out wrong
G
Why don't you come on out and despise me
· · · · · · · · · · · · · · · · · · ·
So I could pack my bag and baby I'd be gone
Remember when you used to call me honey
I'd turn around and call you honey too
You might think it's a joke, but it ain't funny
To hurt someone who's so in love with you
CHORUS
D A
A clown puts his makeup on upside down
D
So he wears a smile even when he wears a frown
G
You might think I'm here when you put me down
A D
But actually I'm on the other side of town.
My hady's in this year with you just catchin' hall
My body's in this room with you just catchin' hell
While my soul is drinking beer down the road a spell
You might think I'm listening to your grocery list
But I'm leaning on the jukebox and I'm about halfway there
REPEAT CHORUS
I'm sittin' on a chair just behind my ear
Playing dominoes and drinking some ice cold beer
When you get done talking I'll come back downstairs
And assume the body of the person you presume who cares

### THE ROAD GOES ON FOREVER - ROBERT EARL KEEN

Sherry was a waitress at the only joint in town
G
She had a reputation as a girl who'd been around
D
Down Main Street after midnight, a brand new pack of cigs
G
A fresh one hanging from her lips, a beer between her legs
A
She'd ride down to the river, meet with all her friends
G
D
The road goes on forever and the party never ends

Sonny was a loner, older than the rest He was goin' in the Navy, but he couldn't pass the test So he hung around town, sold a little pot The Law caught wind of Sonny, one day he got caught He was back in business when they set him free again The road goes on forever and the party never ends

Sonny's playing eight ball at the joint where Sherry works
When some drunkin' out of towner put his hands up Sherry's skirt
Sonny took his pool cue, lay the drunk out on the floor
Stuck a dollar in her tip jar, and walked on out the door
She's running right beside him, reaching for his hand
The road goes on forever and the party never ends

They jump into his pickup, Sonny jammed her into gear He looked on over at Sherry and said, "Let's get on out of here" The stars were high above them, the moon was in the East The sun was setting on them when they reached Miami Beach They got a hotel by the water, a quart of Bombay gin The road goes on forever and the party never ends

They soon ran out of money, but Sonny knew a man Who knew some Cuban refugees who dealt in contraband Sonny met the Cubans at a house just off the route With a briefcase full of money and a pistol in his boot The cards were on the table when the Law came bustin' in The road goes on forever and the party never ends The Cubans grabbed the goodies, Sonny grabbed the jack G
Broke the bathroom window and crawled on out the back D
Sherry had drove the pickup through the alley on the side G
Where a lawman tackled Sonny and was reading him his rights A
Sherry stepped in the alley with a single shot .410
G
D
The road goes on forever and the party never ends

They left the lawman lying, they made their getaway Got back to the hotel just before the break of day Sonny gave her all the money, and he blew a little kiss If they ask you how this happened say I forced you into this She watched as his taillights disappeared around the bend The road goes on forever and the party never ends

It's Main Street after midnight, just like it was before Twenty one months later at the local grocery store Sherry buys a paper, a cold six pack of beer Headlines read that Sonny's goin' to the chair She drives out onto Main Street in her new Mercedes Benz The road goes on forever and the party never ends

.7 E

And I'm the one, yes, I'm the one, I'm the one B7

I'm the one they call the seventh son

Well, I can tell your future before it comes to pass

Look at the skies and predict the rain
I can tell when a woman's got another man
I'm the one, yes, I'm the one, I'm the one
I'm the one they call the seventh son

Now I can hold you close and I can squeeze you tight And I can make you cry for me both day and night And I can heal the sick and even raise the dead And make you little girls talk out of your head I'm the one, yes, I'm the one, I'm the one I'm the one they call the seventh son

Now I can talk these words that sound so sweet
I can make your little heart even skip a beat
I can take you, baby, hold you in my arms
And make the flesh quiver on your lovely bones
I'm the one, yes, I'm the one, I'm the one
I'm the one they call the seventh son

Well, now everybody cryin' 'bout the seventh son

And I hear that that's where she's been? Oh!

Out of nine lives, I spent seven Now, how in the world do you get to Heaven Oh, you don't know the shape I'm in

#### **CHANGE**

I just spent 60 days in the jailhouse For the crime of having no dough Now here I am back out on the street For the crime of having nowhere to go

Save your neck or save your brother Looks like it's one or the other Oh, you don't know the shape I'm in

Now two young kids might start a ruckus You know they feel you trying to shuck us Oh, you don't know the shape I'm in

## THE SILVER TOUNGED DEVIL AND I - KRIS KRISTOFFERSON

$\mathbf{G}$
I took myself down to the Tally Ho Tavern
$\mathbf{C}$
To buy me a bottle of beer
C G Em
I sat myself down by a tender young maiden
A D
Whose eyes were as dark as her hair
$\mathbf{G}$
And while I was searching from bottle to bottle
$\mathbf{C}$
For something un-foolish to say
C G Em
That silver tongued devil just slipped from the shadows
D C G
And smilingly stole her away

I said hey, little girl, don't you know he's the devil?

He's everything that I ain't

Hiding intentions of evil - under the smile of a saint
C G
All he's good for is getting in trouble
C G

And some even say we're the same

# THERE SHE GOES – JOHN PRINE

$\mathbf{E}$
Hey, there she goes
${f A}$
Well I though she'd never leave, heaven knows
Well it sure gives me the creeps
${f E}$ ${f A}$ ${f E}$
You know I went and loved that woman to the power of height
$\mathbf{A}  \mathbf{E} \qquad \qquad \mathbf{A} \qquad \qquad \mathbf{E}$
We both got jiving fever screwed our heads uptight
B7
Then it came to blows
<b>E</b>
Hey, hey, hey - There she goes.
Hey there she goes
Just a walking down the street I suppose
The next fellow that she meets
Should have her head examined by an x-ray machine
So he can see all of those pictures that I've already seen
Just so he knows
Hey, hey, hey - There she goes.
$\mathbf{E}$ $\mathbf{A}$
Well, there must be something somewhere
$\mathbf{E}$
That makes me want to hurt myself inside
A
Yeah, we were regular Dr Jekyll
<b>B7</b>
But together we were Mr. and Mrs. Hyde E
What a rough, rough ride.
Hey there she goes
She's walking out on me with all her clothes
Looking fine as she could be
Well, I seen her on down at the courthouse - I was sober as the judge
We'd tried to talk things over but the grudge just wouldn't budge
I said adios
Hey, hey, hey - There she goes

#### TO RAMONA - BOB DYLAN

A E

Oh, Ramona, come closer, shut softly your watery eyes.

The pangs of your sadness shall pass as your senses will rise.

pangs of your sauness shall pass as your senses will rise

D

The flowers of the city, though breathlike, get deathlike at times.

 $\mathbf{E}$ 

And there's no use in tryin' to deal with the dyin'

A

Though I cannot explain that in lines.

Your cracked country lips, I still wish to kiss, as to be under the strength of your skin.

Your magnetic movements still capture the minutes I'm in.

But it grieves my heart, love, to see you tryin' to be a part of a world that just don't exist.

It's all just a dream, a vacuum, a scheme, that sucks you into feelin' like this.

I can see that your head has been twisted and fed by worthless foam from the mouth. I can tell you are torn between stayin' and returnin' on back to the South.

You've been fooled into thinking that the finishin' end is at hand.

Yet there's no one to beat you, no one to defeat you, except the thoughts of yourself feeling bad.

I've heard you say many times that you're better than no one and no one is better than you.

If you really believe that, you know you got nothing to win and nothing to lose.

From fixtures and forces and friends your sorrow does stem

They hype you and type you and make you feel like you must be exactly like them.

I'd forever talk to you, but soon my words, they would turn into a meaningless ring. For deep in my heart I know there is no help I can bring.

 $Everything\ passes,\ everything\ changes,\ just\ do\ what\ you\ think\ you\ should\ do.$ 

Then someday maybe, who knows, baby, I'll come and be cryin' with you.

(REPEAT LAST LINE TWICE AND END)

I've fallin' behind

She said won't you come see me, When the sun goes down
It'll be just like the old days, When I used to let you hang around
Well I don't know, I might not speak the language any more
Too long in the wasteland
Too long in the wasteland
I've closed some doors

People in the village, Watch the children play At the sight of a stranger, They call the kids away Just leave that man alone, I hear the mothers say Too long in the wasteland Too long in the wasteland What's made him that way

I hadn't intended, To bend the rules
Whiskey don't make liars, It just makes fools
So I didn't mean to say it, But I meant what I said
Too long in the wasteland
Too long in the wasteland
Must have gone to my head

Jet trails in the sunset, a long way away
Cuttin' cross the horizon at the edge of the day
And it calls out to me, Come fly away, I've been
Too long in the wasteland
Too long in the wasteland
I believe I'll have to stay

Intro: [Am] [F] [Am] [F] [Am] riff over E0E0A0A2 [F] riff over A3A2A3E1 Am Nice girls, not one with a defect, cellophane shrink wrapped so correct. Red dogs under illegal x. Am She looks so good that he gets down and begs. **CHORUS**  $\mathbf{C}$ She is watching the detectives. "Ooh he's so cute!" She is watching the detectives G Em  $\mathbf{F}$ D When they shoot, shoot, shoot, shoot. They beat him up until the teardrops start, G But he can't be wounded 'cause he's got no heart. Am Long shot of that jumping sign. Invisible shivers running down my spine. Am Cut to the babe taking off her clothes. Close-up on a sign that says, "We Never Close." He snatches at you and you match your cigarette. She pulls the eyes out with a face like a magnet. I don't know how much more of this I can take. Am She's filing her nails while they're dragging the lake.

REPEAT CHORUS

Am
You think you're alone until you realize you're in it. F
Now fear is here to stay. Love is here for a visit. Am
They call it instant justice when it's past the legal limit.  F
Someone's scratching at the window. I wonder who is it Am
The detective comes to check if you belong to the parents F
Who are ready to hear the worst about their daughter's disappearance Am
Though it nearly took a miracle to get you to stay,  F
It only took my little fingers to blow you away.
G C
Just like watching the detectives. Don't get cute.  G

Singing a hymn in a church of white.

Preacher told us we were right.

They burned some churches and put the blame,
On decent southern people's names,
To set our colored people aflame.

REPEAT CHORUS

And maybe some of our boys got hot,

And a couple of reds and niggers got shot, They should have stayed where they belong,

And preacher would've told us if we'd done wrong.

An old old old old old old old old woman

Then I think I'm gonna find myself an old man Then I think I'm gonna marry myself that old man An old an old a really old man

We're gonna have a hundred and twenty babies A hundred and five ten fifteen twenty babies That's right that's what I said a hundred and twenty babies

We'll raise them on tiger's milk and green bananas Mangoes and coconuts and watermelon We're gonna give 'em that watermelon when they start yellin'

Here's what they'll yell BREAK

In the summer we'll sit in a field and watch the sun melt
In the winter we'll sit by a fire and watch the moon freeze
Me my old man and a hundred and twenty babies
Me my old man and a hundred and twenty babies
I said Me my old man and a hundred and twenty babies
When I grow up I want to be an old woman
When I grow up I want to be an old.....

# WHEN SHE DON'T NEED ME - TOWNES VAN ZANDT

Intro: D D D D D Dsus4 D Dsus2 D (Repeat through 1st 2 lines of each verse)

D*
When she don't need me it makes me crazy
D*
She says rest easy and it makes me lazy
A G D
But when she please me, she please me all night long

My friends are leavin' - She say don't worry They're only leavin' - There is no parting You will be lonely. I will be here with you

On the wings of darkness the light is soaring And chains are bonded freedom is singing Cling to the darkness until you've turned to song

The blues shall wash me and sun shall dry me The world will hide me but she will find me And when she find me, she will take me home

When she don't need me it makes me crazy She says rest easy and it makes me lazy But when she please me, she please me all night long

Drinking in some cross town bar

That I've been such a fool,

Cause I look at what you've done,

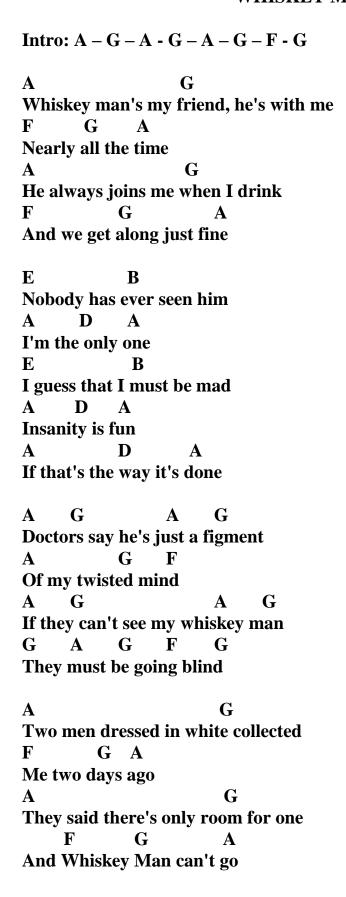

But nothing seems to change.

DDEALZ (ONE CHODIS)		

# **BREAK (ONE CHORUS)**

When Noah had drifted on the flood many days He searched for land in various ways Troubles he had some but wasn't forgotten He sent down his love on the wings of a dove.

On the wings of a snow white dove He sent his pure sweet love A sign from above On the wings of a dove

Winterlude, winterlude my little apple
Winterlude by the corn in the field

Then come back and cook up a meal
Come out when the skating rink glistens
By the sun near the old crossroad sign
The snow is so cold, but our love can be bold
Winterlude, this dude thinks you're fine

Winterlude, winterlude my little daisy
Winterlude by the telephone line
Winterlude, oh, it's making me lazy
Come on, sit by the logs in the fire
The moonlight reflects from the window
Where the snowflakes they cover with sand
Come out tonight, everything will be tight
Winterlude, this dude thinks you're grand

This is not Thi	rty-Eight it is	old Ninety-Seven	
$\mathbf{G}$	D	G	
You must put h	ier into Spenc	er on time."	

Then he turned and said to his black greasy fireman "Hey, shovel in a little more coal For when we cross that White Oak Mountain Watch old Ninety-Seven roll."

It's a mighty rough road from Lynchburg to Danville With a line on a three mile grade
It was on that grade that he lost his airbrakes
See what a jump he made

He was going down the grade makin' ninety miles an hour When his whistle broke into a scream He was found in the wreck, with his hand on the throttle, Scalded to death by the steam

The telegram came from the Washington station This is how it read "Oh that brave engineer that run old Ninety-Seven Is lying in old Danville dead"

So now all you ladies you better take fair warnin'
From this time on and learn
Never speak harsh words to your true lovin' husband
He may leave you and never return

#### YASS, YASS, YASS - BLIND BLAKE

Mama bought a rooster, took it for a hen

Thought it'd be layin' eggs, 'bout eight, nine, or ten
A7
B7
Made it a nest outta some old straw and grass
DGAD
But it didn't lay nothin' but its yass, yass, yass

Mama cooked a rooster, thought it for a duck Set it on the table with it's legs stickin' up Along came the children with a spoon and a glass And gobbled up the gravy from it's yass, yass, yass

Siste's on the levy, doin' a dance Making eyes at all the boys that pass Mama said "Sister, you better come in here fast Get down off that levey, stop shakin' your yass, yass, yass"

Now young folks are doin' it and old folks doin' it Young folks tellin' the old folks just how to do it "You shake your shoulder and you shake 'em mighty fast And if you can't shake your shoulder shake your yass, yass, yass"

Way up yonder on a mountain peak
A bullfrog dipped his tail in a hot pan of grease
He said, "Excuse me, ladies and gentlemen, would you kindly let me pass
I'm a-slippin' and a-slidin' on my yass, yass, yass"

Way out in Texas, in Abilene A tomcat sat on a sewin' machine Well that sewin' machine, you know it sewed so fast It sewed ninety-nine stitches in his yass, yass, yass

Twas the night before Christmas and all through the house Not a creature was stirrin', not even a mouse Out by the chimney I thought I heard somethin' pass It was Santa Claus skiddin' on his yass, yass, yass

# YOUR MAMA DON'T DANCE - LOGGINS & MESSINA

# **CHORUS**

A

Your mama don't dance and your daddy don't rock n' roll

Your mama don't dance and your daddy don't rock n' roll

,

When evening rolls around and it's time to go to town

A

Where do you go to rock and roll?

The old folks say that you gotta end your day by ten
If you're out on a date and you bring it home late, it's a sin
There just ain't no excuse and you know you're gonna lose and never win
I'll say it again - and it's all because

# REPEAT CHORUS

# **CHANGE**

D

You pull into a drive-in and find a place to park You hop into the back seat where you know it's nice and dark You're just about to move in, you're thinkin' it's a breeze

E

There's a light in your eye and then a guy says "Out of the car, long hair!"

Oo-wee, you're comin' with me, the local police

And it's all because...

# REPEAT CHORUS

CODA {3X}

Where do you go

To rock and roll

# YOUR SWEET AND SHINY EYES – BONNIE RAITT

G G7
Your sweet and shiny eyes
$\mathbf{C}$ $\mathbf{G}$
Are like the stars above Laredo
G D
Like meat and potatoes to me
G G7
In my sweet dreams we are
$\mathbf{C}$
In a bar and it's my birthday
G D G
Drinking salty Margaritas with Fernando.
CHANGE
G D
Young and wild we drove down
$\mathbf{C}$ $\mathbf{G}$
A hundred miles of Texas highway
$\mathbf{C}$
To the Mexican border
D
As the day was coming on.
$\mathbf{C}$
We crossed the Rio Grande River G
And we swore we'd do things our way
$\mathbf{G}$ $\mathbf{D}$ $\mathbf{G}$
When we happened to walk into Nuevo Leone.
Your sweet and shiny eyes
Are like the stars above Laredo
Like meat and potatoes to me.

Your sweet and shiny eyes
Are like the stars above Laredo
Like meat and potatoes to me.
In my sweet dreams we are
In a bar and it's my birthday
And we're having our picture taken with Fernando.

E EMaj7

I've seen love go by my door

E6sus2sus4

It's never been this close before

E B7

Never been so easy or so slow

E EMaj7

Been shooting in the dark too long

E6sus2sus4

When something's not right it's wrong

E B7 E

You're gonna make me lonesome when you go

Dragon clouds so high above
I've only known careless love
It's always hit me from below
This time around it's more correct
Right on target, so direct
You're gonna make me lonesome when you go

Purple clover, Queen Anne's Lace Crimson hair across your face You could make me cry if you don't know Can't remember what I was thinkin' of You might be spoilin' me too much, love You're gonna make me lonesome when you go

**B7** Flowers on the hillside, bloomin' crazy Crickets talkin' back and forth in rhyme  $\mathbf{F}$ # Blue river runnin' slow and lazy I could stay with you forever and never realize the time  $\mathbf{E}$ EMaj7 Situations have ended sad E6sus2sus4 Relationships have all been bad **B7** Mine've been like Verlaine's and Rimbaud EMai7 But there's no way I can compare E6sus2sus4 All those scenes to this affair **B7**  $\mathbf{E}$ You're gonna make me lonesome when you go **B7** You're gonna make me wonder what I'm doin' Stayin' far behind without you You're gonna make me wonder what I'm sayin' You're gonna make me give myself a good talkin' to

I'll look for you in old Honolulu
San Francisco, Ashtabula
You're gonna have to leave me now, I know
But I'll see you in the sky above
In the tall grass, in the ones I love
You're gonna make me lonesome when you go
